THE ACADIAN.

WOLFVILLE, N. S., JULY 22, 1910

The commission appointed by the Federal government to gather information as to the needs of the Dominion in respect to industrial training and technical education, and the systems and methods of technical instruction in other countries, is to meet in Wolfville on the afternoon of the 27th inst, and at Kentville in the evening of the same day. Dr. James W. Robertson is the chairman of the commission, which fact ought to be a sufficient guarantee of its usefulness.

Wollville had a distinguished visitor this week in the person of Mr. Beokles Wilson, editor of the Strand Mr. gazaine and Westminister Gazette. Mr. Wilson, who is collecting material for a work on Nova Scotia, is one of our rising authors and has already written several books, one of which on George III, has been very favorably received by the leading English papers. A native of Montreal, but long a resident of England, Mr. Wilson belongs to that group of talented Canadians who have made their mark on English literature, which includes such well known names as Grant Allen, Gilbert Parker, Robert Barr, etc. While here he was the guest of Sir Robert and Lady Weatherbe. On Monday accompanied by Sir Robert Wertherbe, Chief Justice Townshend, and Rev R F Dixon, Mr Wilson made an automobile trip to Berwick, Kentville, Lakeville and other points, He expressed himself as very favorably impressed with the country.
