## HORRIBLE DEATH OF FRANK W. NIXON

Injured By a Furious Bull on Saturday, Dies Four Hours Later

Crushed to death by a vicious bull was the fate of Frank W. Nixon. The horrible affair took place at Lower Brighton at nine o'clock on Saturday evening. The bull, a mighty Holstein, weighing more than 2200 pounds, had escaped from his confinement and had rampaged about the premises, terrifying the inmates of the house and defying the efforts of the farm help to recapture him. Mr. Nixon was at Woodstock and returning found the bull in full sway on the premises. He fearlessly leaped from his car and proceeded to secure the bull by the ring in his nose. As he did so the furious animal gave a fierce lunge, backed by all the strength of his heavy body, and crushed the unfortunate Mr. Nixon against the side of the barn. There was but one direct impact and but one sufficed to injure the man fatally. Though badly hurt Mr. Nixon managed to get within the barn door and other men who gathered distracted the attention of the bull. Several rifle shots were fired into his huge carcass before the angry brute succumbed.

Dr. Rankine of Woodstock and Dr. King, Hartland, were called to give aid to the injured man but their efforts were of no avail and he died four hours later.

Mr. Nixon was 36 years old and was the second son of Mr. and Mrs. D. H. Nixon of Hartland. He is also survived by two brothers, G. Berton of Somerville and Dolph E. at Wakefield and by his sorrowing wife and three small children. He was a young man of sterling character, highly esteemed among his neighbors and by a wide circle of friends outside of his own community. His sad end cast a pall of gloom over the whole county and the funeral, held on Tuesday afternoon, was attended by an immense concourse of people.

The sermon was preached by his pastor, Rev. F. J. Trafton, and participating in the services in the services were Rev. E. A. Trites, E. O. Jenkins, P. J. Jenkins, P. J. Quigg and T. S. Crisp. A selected choir from the United and Reformed Baptist churches of Hartland rendered beautiful music. Miss Eilda Wilson sang a solo (My Sheep Know My Voice), and there was a duet by Miss Emma Cogwell and Miss Dorothy Trafton.

The floral offerings were beautiful and expressed the respect and sympathy of a wide circle of friends.

Mr. Nixon was president of the Lower Brighton Branch of the U. F. of N. B. and was an Odd-fellow and a member of the of Brighton Lodge K. of P.

The interment was made in the family lot in Greenwood cemetery. In the long funeral procession were more than 40 automobiles and as many carriages.

Mrs. Andrew Mack

On Tuesday, July 1, after a lingering illness Mrs. Andrew Mack passed away at her home in Beaufort. Deceased had spent the last four years with her husband in Rochester, N. Y., and returned to her home only a few days before her death. She was born in St. John 58 years ago. Her maiden name was Sarah M. B. Frith, she being the daughter of the late Captain Frith.

Besides her sorrowing husband

she is survived by one son, Charles A. of Fort William, Ont. and one daughter, Miss Edna G. of Beaufort.

Mrs. Mack was a devoted member of the Presbyterian church. She was highly talented and generous and took a deep interest in the welfare of others. Her loss is keenly felt by the community.

The funeral was held on Thursday afternoon. Services were conducted by Rev. M. H. Manuel. The body was laid to rest in the Glassville Presbyterian Cemetery.

## BASE BALL IS NOW INTERESTING

Hartland Team Gets its Blood Warmed Up and Wins Two

Hartland ball-team is at last coming into its own. Two games this week go to its credit, and renewed here fills the bosoms of the local fans.

On Monday evening Bath team came to Hartland for a return game and were defeated in a score of 9 to 1. The visiting team was a little off on this occasion, but the home team pulled together and did some brilliant playing. Walter Billings pitched throughout the game and did superior work, and was ably supported by Stanley DeWitt behind the plate.

On Tuesday evening the Hartland team played a return game at Centerville and were again victorious. The game resulted in a score of 13 to 6. This was a strong contrast to the score of the last previous game with the Centerville team, played here three weeks ago, when the Hartland team suffered an even worse defeat than they administered on Tuesday.

A number of automobiles parties accompanied the Hartland team to Centerville to give them moral support and courage, but the team did not require any special detail of rooters. The victories and losses of the contending teams are now such as to make excitement great, and the result of future games will be awaited with great interest.

Hartland team will play Grand Falls here July 18. They will play at Bath on Monday evening the Mars Hill team will come to Hartland.

## Letter of Condolence

Dear Mrs. Perry: A meeting of Brunswick Lodge No. 99, I.O.O.F. held on Wednesday, June 4, a resolution was passed directing me to express to you and your family, in writing, the sincere sympathy of the lodge for the loss you have sustained in the death of a husband and father.

Although Brother Perry had not been for some years, been a regular attendant at our lodge, yet he gave evidence that he honored the order and had a deep interest in its work. In his passing away, we, as a lodge, feel the loss of one who was an ardent advocate of oddfellowship. We sincerely sympathize with you in the loss of one who was ever kind and faithful in the discharge of his home duties.

We believe also that the loss is keenly felt outside the home circle for Mr. Perry was one who took an interest in the public welfare, and endeavored to apply the principles of Christ to all of life's activities.

While we mourn with you in the loss sustained in his death, we also rejoice with you in the hope that he has passed from the trials and sufferings of this life to the joys of that life with God where they shall hunger no more, nor thirst any more

## TOWN COUNCIL IN MONTHLY SESSION

Frank Dickinson Appointed Police Motor Speed Restricted

Owing to the large amount of business listed for the consideration of our Town Fathers, their regular monthly session occupied both the evenings of the 7th and the 8th inst.

The reports of the different officials and committees were especially interesting.

The Treasurer's report shows that the total amount expended by the Town to date for all causes is \$715.66. The greater part of this amount—viz., \$603.75—has been expended on the streets.

Ald. Hagerman reported that D'Archie Campbell, our genial bridge inspector, had consented to allow the Town to arrange a suitable place for hitching horses on the ground under the eastern approach to the bridge. This space, however, will be utilized for a time for storing the lumber to be used in the erection of the new bridge this winter.

Alderman Hagerman also reported for the Police Committee. Mr. Plummer, who now has charge of the labor on the streets the waterworks and pumping station, and is also Town Marshal, thought that after he worked all day on the streets with his men, or at some of his other duties, he did not feel exactly like getting out in the evening and doing police patrol work. He, therefore, suggested that he be allowed to hire a man to perform this duty for him, and that the town contribute a small sum toward the salary of this man. Frank Dickinson, a returned soldier and a good fellow generally, was suggested for this position by Mr. Plummer, and later he was heard and engaged, at a salary of \$150, \$100 of which is to be paid out of Mr. Plummer's salary and the remaining \$50 will be paid by the Town. Mr. Dickinson will be on hand to act whenever called upon, and will be on active duty on certain days and evenings to be arranged by the police committee.

The By-law committee handed down By-law No. 15, dealing with the regulations governing motor vehicles. The speed limit for the town was fixed at 12 miles per hour generally, but limited to a much lower rate at crossings, corners and other dangerous places. The penalty for infringement ranges from \$10 to \$100 the severity of the sentence being left to the discretion of the Magistrate.

A motion was carried empowering the By-law committee to have the By-laws printed as soon as possible.

It was also voted to draw on the Bank of Montreal for \$500 in addition to what had been already voted, to meet current expenses.

Alderman Campbell, Britton and Nevers were appointed as a fire committee, and Aldermen Carr, Hagerman and Cameron as a Poor Committee.

A memorial service for Hazel V. Hatfield will be preached at the United Baptist church at Mt. Pleasant on Sunday July 13 at 2.30 p.m., by Rev. I. E. Van Wart.

and where God shall wipe away all tears from their eyes." We trust also that the separation which death has caused shall last only for a time and that by and by his loved ones shall meet him again when the day breaks and the shadows flee away.

Yours in F. L. and T.  
In behalf of the lodge
