McKenzie & Co.

FASHION orders you to wear Low Shoes this season. The man that does not get his feet into a pair of low shoes does not appreciate the comfort of summer dress.

Our \$3.50 Shoe in Tan and Patent Calf Blucher is unsurpassed.

ANY WOMAN can please herself at this store. The most fashionable styles of Oxford Ties and the daintiest things in Slippers are here to select from.

The "EMPRESS" and The 'KING' Shoe reported the accident, and stated that Driver E. S. White was under the locomotive, but that he did not think any of the passengers were seriously hurt. Ed. White Under Driver Locomotive.

NO PASSENGERS HURT.

Cars Were Ditched.

Moncton city was samewhat follows:

The train was bowling along on our good. time, when about one mile this side of the Evans' Siding and near the ask you to accept this volume of S curve, when locomotive No. 313 Tennyson's poems. (one of the now and big Pacific type) suddenly left the rails follow-ed by all the cars except the pull-

Engineer E. S. White was at the throttle. He is now a resident of Truro, but is well known in Moncton. He is one of the most careful drivers on the road, and though in active service for a great many years has never had

be under the locomotive, but for-tunately, this proved to be untrue, and at the time of writing he 'is case was presented by Master "To the River Charles" reported to be alive, but whether Beverly Scott. injured or not cannot be learned.

Shortly after three o'clock as entirely by surprise, replied in a auxillary train left Moncton with neat and feeling address in grace-from an artistic and a literary chief Superintendent I. F. Price ful entirely by surprise, replied in a proved a complete success both from an artistic and a literary Chief Superintendent J. E. Price ful, suitable and very appropriate point of view. and other officials on board. It terms. was not thought ueceesary to take any medical men from Moneton, as it was reported that there were jured and that Driver White though octors from Sackville and Dor-

that Driver White could be heard groaning under the locomotive. But about a quarter past four it was reported that the people there had succeeded in getting him out

The scene of the accident was so badly placed for obtaining information at short notice, it has been No passenger was injured, and impossible to learn further particular particulars up to half-past four Another merely slight.—Transcript train was sent to the scene of the wreck after four o'clock to bring in the passengers and the mail, and the latest report confirms the be-

thin, pale, weak, nervous children become strong and well by taking Ayer's Sarsaparilla. Small doses, for a few days.

The change is very prompt and very marked. Ask your doctor why it is. He has our formula and will explain.

Mr Peter McLean, Principal Dalhousie School
