ecent interview, presented the following outline of his own idea should not be permitted again. regarding the League of Nations: The league of nations ought to "It is good for all of us," he act as a trustee for the communisaid, "to take our proper share ties who have not yet reached in the reconstruction and regen- the stage of democracy equal to thought the League of Nations a a government. It may be diffivital necessity in some shape or cult for the new communities to other if this war is to be pre- adopt forms of government and ductive of good as well as of manners of administration applithe world must combine to pre agerd the work of the capier

The league of hations must sponsibilities. This is one of the epresent this influence of the greatest tasks that could be unworld's thought. The United dertaken. There is weakness of States of America must take its human natura and inevitable share in the responsibilities involved. If the extremely desirable league of nations is to be something more than a preventative of internationl dispute, it must be a league for the preservation of peace and the preventing of war. These are vital interests but not the sole interests clyilized mankind must safeguard. The world must be more complicated place than we often think and will never be an easy place to manage. One of the chiefest difficulties is different graduations in civili- the body it goes before God to be zation, their ideals, traditions and judged. It stands defenseless at methods. It is folly to suppose the Divine tribunal while it is that the world could be quietly weighed in the balance. The

or league of nations, must have Heaven or hell forever. their welfare safeguarded and although it may seem as mere ticular judgment, the judgmen speculation, yet it is my opinion of the soul stripped of its earthly that to provide for them a work- covering and standing helples able, concrete international machinery is one of the highest functions of the conference. The complexity of the problem cannot be exaggerated. President Wilson used a striking and illumin- knowing good and evil. He has ating phrase in saying the world given us a will whereby we are must be made safe for democracy enabled to choose or reject the but the world will not made safe for democracy merely by multiplying the num- and the price of liberty is respon ber of democratic states, which sibility. We are free and hence as a result of the war, are likely accountable. We have the gift and to increase enormously. Having regard for the number of them now being created in Eastern Europe, many of them small and all more or less democratic, it must not be assumed that when the map of Europe is re-created there will be no more states where war would be unlikely No true democratic state is capable of a long designed and cherished criminal scheme such ever, is a delusion. While it as autocracies proved themselves true that we are naturally weak guilty of. The thinkers and yet God supplies the strength as

government of Germany deliberately pursued a policy of international crime, using other states as stepping stones to their ultimate aim. It is impossible to conceive of democratic states cherishing designs equal to these in inquity, but passions arise be tween neighboring domocracies

League of Nations." the league of nations is required to superintend and control not only the criminal intentions of great autocracies but to see that

selfishness to contend against The result may be imperfect but we must make an effort to des with the problems thrust upon The prominence Wilson has given to the subject is a valuable contribution to civilization."

Particular Judgment

'It is appointed unto men once to die and after this the Jadgment," (Hebrews ix! 27.) mediately after the soul leave made to consist of equal states good deeds that it has performed during life are compared with the eternal destiny is decided by the

outcome of this trial. It is either salvation or damnation. It That is what we call the par before the God Who gave being. The reason why we are judged is because we are respon sible beings. We are creature of understanding and will, Go has favored us with the power o good or evil when we know We love liberty. If we would enjoy it we must pay the price we enjoy it. We must therefore

bear its burden. The irrationa animal is not judged because it lacks the faculties of knowing and willing, thence it is not ro-But we have freedom. And evil is so attractive in many in stances that, even though we know it to be evil, we are drawn towards it almost irresistibly We seem to be almost powerless to choose the good. This, how we need it. His grace helps u and assists us to overcome th temptations that seem to draw u down. Moreover, even when w fail God has regard to our natura weakness and supplies us wit the means of arising from ou sad state. He is to us now God of Mercy, exhorting us to d what is right and to repent our sins. He pleads with us, He which may make them quite as urges us. He does everything prone to war as other forms of short of forcing us. The arm of government. Some hostile critics His mercy is extended now to say that the result of the changes sustain us in our dangerous surthat seem likely to occur will be roundings, but the time is coming to Balkanize Europe, but I look when the arm of mercy will be withdrawn and extended again. forward to the Balkans to be But this time it will bear a sword very different to what the past of justice, to fall upon us and would be intolerable if Europe ourselves of His mercy. Now I cannot say too much in favor of Doan's Kidney Pills."

He is a God of forgiveness, then Doan's Kidney Pills are just what their

VOL. XLVII. No. 51

Could Not Work ON ACCOUNT OF SEVERE HEADACHES.

Headaches are generally caused by some disturbance of the stomach, liver or bowels, and although not a serious complaint, the cause should be removed before they become habitual and make your life miserable. moving the bawes gently, safely and surely, refreshing and strengthening the stomach, toning up the liver, and thereby banishing the headaches.

Mrs. J. Armstrong, 7 Harris St., St. John, N.B., writes:—"I take pleasure in writing you concerning the good I have received from using Milburn's Laxa-Liver Pills. I had such severe headaches I could not do my work, but after using two vials of your pills, I can now do my work vith comfort and pleasure."

Albumas tay per Pills ow sin parely yet a can always the property of the prop

naterial for the day when we shall be judged.

On that day we shalf stand alone with God defended only by our good deeds. The bright light of the Sun of God will be cast upon our naked souls, showing us our misdeeds in all their hideousness. We shall shrink before that sight. The Divine light will dazzle and daze us. Our soul will admit its failings and condemn us. How happy we shall feel then if we can raise our eyes and gaze unabashed at the pure light searching our souls, if we can feel sure that our good deeds far outweigh our evil ones. How glad we shall be to know that at last we are to reis the time for us to bring this to pass. " Now is the acceptable time, now is the day of salvation," Our future fate is in our. own hands. If we close our eyes in God's grace we will be awakened gently from the sleep of leath by words of welcome. If ve die in sin we shall be aroused
