

One of The Greatest Blessings of Her Life.

St. John Woman Says She Has Not Been Sick a Day Since Tanlac Restored Her Health a Year Ago.

"No one ever comes into my home without hearing me talk about Tanlac for it has been one of the greatest blessings of my life," declared Mrs. George A. Dunham, a life-long resident of St. John, N.B., who lives at 71 Lombard Street.

"For sixteen years I have suffered awfully from indigestion and during the last five years have been getting worse rapidly. I kept on giving up things I could not digest until there was hardly anything left I could eat. I was growing weaker fast and often became so faint I couldn't stand up. All the time there was a bloated distressing feeling in my stomach and my heart beat so fast I just had to struggle for breath. At night, especially, I felt like I was smothering and was often afraid to lie down for

I thought I might suffocate. I have suffered all my life from constipation and frequently have such severe headaches that I had to go to bed. My back ached awfully and I was getting worse in spite of everything I could do.

"About a year ago I began taking Tanlac on the advice of a friend and in just a few days I felt lots better. In less than two months I was free from all my troubles and I haven't been sick a day since. My appetite and everything I eat digests perfectly. I have gained a lot in weight and can do my housework without tiring one bit. I will never have anything but praise for Tanlac."

Tanlac is sold in St. John's by M. Connors, in Paradi.e by Mrs. Martin F. Byrne, in Upper Gullies by Heber Andrews, in Portland by H. C. Haines, in St. Joseph, Salmonier, by Mrs. J. Gush, in Mirtown by Exploits Valley Royal Stores, Ltd., in Flat Island by William Samson, in Jamestown by Christopher Haines, and in Lewisporte by Uriah Freake.—adv.

A Pork Bargain!

We are quoting the Trade a very low price on the 150 barrels of Family Back Pork we have in stock. It is the finest cut from the hog, being made from rib backs cut crosswise into about five pieces. It is vastly superior to Ham Butt and costs about ten dollars a barrel more,—though to clear we are offering it at a great deal less.
