High River Has Right to be Called the New Westminster of Alberta

Victory of Southern Town Over Local Lacrosse Artists Re-Establishes Claim; Champions Won Match With 4 to 3 Score.

THAT bustling little town on the Macleod trail, proved its right to be called the "New Westminster of Alberta" last night when the lacrosse team of that place defeated the Calgary Chinooks by the score of 4 to 3 in the opening game of the season at Victoria park. It was a splendid clean exhibition of Canada's national game and the 1,500 people who attended were a testimonial to the popularity of the game. It was the largest crowd which has attended a local lacrosse fixture since 1908, when High River and Calgary battled it out for the Alberta supremacy. At that time lacrosse was at the height of its popularity in this province, but judging by the enthusiastic crowd which witnessed the game last night and the quality of lacrosse which they saw, Canada's national game has "come back" in this city and from this time on may be ranked with the principal sports.

The teams were very evenly matched as the score indicates, but the High River visitors had it on the locals in condition and staying power and this was what told in the final analysis. All but two of the High River men appeared to be in tip top shape and the Chinooks proved themselves to be good sportsmen when they allowed High River to lay off a man in the middle of the game and later on after he had a rest go back and finish.

R. B. Bennett who was advertised to open the lacrosse season with an oration on the naval question, failed to put in an appearance. It is not known why he did not do his duty, but one thing is certain; he missed seeing a good exhibition of Canada's national game. It's a mere matter of opinion whether R. B. or the spectators were the losers.

Men Who Have Made Lacrosse History
The teams which trotted out on the field were composed of men whose names have made lacrosse history. There were very few youngsters in the bunch and several of them would have been sent to the home for the aged had they not maintained their youth and enthusiasm by interest in Canada's national game. On the High River team were Bert Polle and Tiny Henry, both of whom were playing lacrosse in the early nineties. Pete Mathewson was also there and Pete is no spring chicken by any means. However, he is still one of the best players in the West and last night showed flashes of his old time form.

Youths on Calgary Team.
On the Calgary team were such unoppressed youths as Dan McLeod, Harry Reynolds and Bill Laing, all of whom were playing good lacrosse when a majority of the spectators were in their swaddling clothes. But although some of the players were almost in their second childhood they showed as much pep as a youngster just breaking into the game. They had the advantage of knowing the line points of which the younger generation are ignorant.

The game was close and exciting all the way, and at no time did either team have more than a one goal advantage over the other. In fact, not until the

contest was more than half finished did either side succeed in scoring. This was largely due to the splendid work of the defence men on both sides. In this department each team was very strong, whilst in attack both teams were weak.

Chinooks Score First.
The Chinooks were the first to tally, Melrose putting in a nice shot from close range after the third quarter was about half finished.

The joy in the hearts of the Calgary supporters was short lived, for about two minutes after the Calgary score Donahue picked up a stray pass and bagged the net.

The Chinooks jumped into the lead a very few minutes later, when Harry Curllis got a pass from behind the nets from Bill Laing, and baffled Bert Polle with a hot shot.

But this advantage was also brief, for Alex. McCorquodale made a pretty long-distance shot which evened up the figures. The third period finished with the score tied at two all.

Red Hot Finish.
In the final spasm both teams livened up, and the play was the hottest of the game. High River's staying power told, and the southern players did most of the attacking. McMillan put the Riverites in the lead for the first time during the contest when he got a shot from Tiny Henry and slung the ball into the net from about ten feet out.

A pretty piece of combination, in which Tip Curllis and Bobbie Rivers took part, with Jack Armstrong at the business end, resulted in the score being again knotted.

It looked for a while as though the match would finish with the score in this condition, but the prettiest piece of play the whole game resulted in Signer scoring the telling tally. At least five men took part in this play, and short passes from the middle of the field told the story.

The High River team brought with them a host of supporters. Most of them motored to the city and returned after the game.

Callies Prove They Mean Business When They Wallop League Leaders

Defeated Lancashire Five Goals to Nil; Winners Tried Out Old Players Who Made a Club Famous in the Past.

Callies in winning by five goals to nothing against the Lancashire last night in the Senior Soccer League match that they mean business again this year. They have not only proved themselves to be a notable team, but also made the name of the club during the past two years.

The placing with a view to working out several of the players, and this was a success. Stewart scored two goals, one from a free kick, and the other from a header, which was due him, and the other from a characteristic breakaway, which he finished with a shot which gave Forshaw no chance at all.

Grindlay, at outside right, had the prettiest goal, the ball deceiving Forshaw, and dropping down over his head. Williams and Nesbit had the others, the latter scoring the only goal of the first half. Hithin made some great attempts to get going but Cooper and Maclean never wavered, and latterly the game developed into a "shoot for goal."

Haig was at outside left for Callies, and his leg stood well. Twice he had lovely tries for goal. Sandy Strang had his usual grounder in the second half, but it was left to Maclean to finish an errorless display of driving in a long, swift shot from back, which Forshaw jumped at and grabbed.

Although Lancashire got such a severe drubbing, there were some good touches. Forshaw is a fine goal keeper, and but for the sun would never have lost the first goal. Malsey and Foulde at back, with Hithin in front were the best men, and until the third goal, tried hard to stem the tide. Land played hard, but Butterfield and Woods, who substituted for the regular men, were passers.

Why Lancashire do not play the strong team they had against Post Office one cannot understand, because they had men on the line far better than those playing. Towill played at half for Callies again and along with Strang and Petrie did all that was necessary.

There was a good crowd out, and it was a pity that the display in the second half was so one-sided. The following are the teams:
Callies: Gilhooley, Cooper and Maclean; Towill, Strang and Petrie; Grindlay, Williams, Stewart, Nesbit and Haig.
Lancashire: Forshaw; Malsey and

Foulde; Wilson, Butterfield and School; Land, Stewart, Hithin, Anderson and Woods.
Referee: H. E. Sheldon.

Calgary Schools' Baseball League the Most Successful in Canada

League Season Will Conclude This Week; 23 Teams in League; Schedule of 70 Games Completed in Less Than Month; Teams Play for the Albertan Trophies

Public School Baseball League
Championship Finals
June 14—Practice vs. Riverside in Central grounds.
June 15—Haultain vs. Winners on Central grounds.
June 16—Connaught vs. Haultain on Mt. Royal grounds.
June 17—Walker vs. Practice on Central grounds.
June 18—Winners of above two games on Central grounds.

AFTER a most successful season in which nearly 150 games were played, the Public School Baseball league, which is probably the largest of its kind in Canada, will conclude its season next week, when the championships of "C" and "B" classes will be decided, the winners of the various sections playing off for the Albertan shields. The "D" class championship has already been decided, the Central school team carrying off the honors, with almost a clean record of wins.

The league was first organized last year, when Boys' Secretary Sharpe of the Y.M.C.A., organized the youngsters into a league with 23 teams, playing 70 games in about 25 days, and in which the boys umpired every game but one. It was not an easy task to get boys of all ages and with a wide variety of ideas of what was what, to get out and play a regular schedule of matches, and especially to officiate at them with fairness to all. But the kids made good from the start and not one case is known where a boy deliberately gave an unfair decision, and the cases where boys stood by their decision under circumstances that warranted the patience of pro league umpers, are without number.

Indoor Baseball Outdoors.

Calgary boasts of large grounds around the schools, but large as they are, they are not the size necessary to play the large games, such as baseball or football, and the kids decided to adopt the new game of playing indoor baseball outdoors. This allowed for 35-foot bases and a 21-foot pitcher's box. The ball was a 12-inch size, five inches smaller than the regulation ball. The game took from the start and nearly all the schools fell right in.

The Normal Practice school were competitors in three classes and they captured the championship in two of them, the "D" and "B" with Alexander on top in "C" class.

The official trophies of the league are three fine shields which were donated by The Morning Albertan when the league was organized. The shields are known as The Albertan "D," "C" and "B" trophies and it is a proud school which can hang one on its wall.

Improvements in Game This Year.
This year several improvements in the game were made. The indoor-outdoor game, though played by the big playgrounds across the line, had its weaknesses, and the local boys were not long in discovering them, so they adopted several important amendments, chief of which was the lengthening of the bases to 40 feet and the adoption of outdoor rules to apply to all plays excepting that the pitcher must throw the ball underhand to the catcher. The result of these changes has been that the games have been even more exciting and the scores closer.

The adoption of the 12-inch ball made it possible for a larger number of boys to play, most of whom were a little timid of standing up to a very hard ball, and as a result dozens of boys who were not in the habit of competing in the games took part in the baseball league. The youngsters are divided into classes, in uniform with the Y.M.C.A. boys' department standard, of "B" class for boys weighing 85 lbs. and under; "C" for boys weighing 100 lbs. and under; and "D" for boys over 100 and under 135.

This season after the organization of the league Secretary Sharpe gave way to the principle of the schools with intention of devoting his time to other work. The officials of the league are: Principal Van Volkenburg of Alexander school, president, and Principal Aberhart of Mt. Royal school, secretary.

FRIDAY, THIRTEENTH, BAD DAY FOR MAD HATTERS

Lost In Their Tenth Inning to Saskatoon By 4 to 3 Score.

Saskatoon, June 13.—Friday the 13th, proved disastrous for Medicine Hat, the Quakers taking the long end of a 4 to 3 score in a thrilling 13 inning duel.

Dunn, for the visitors, and Cullens for the locals, showed splendid form on the mound, while the fielding of both teams was of a dashing nature.

Borleski walked in the second and stole second. Dunn's single scored Borleski. Daniels singled and Moore's single brought Dunn home with Medicine Hat's second run.

Harper walked for the Quakers in the ninth, Collins sacrificing. Mills drove a liner to McNamara, which he fumbled. Harper scored. With Mills on second, Cruikshank's skinned out a home run, scoring Mills and putting the Quakers in double jeopardy. Ellis in with Medicine Hat's third run in the ninth.

In the eleventh, with one down, Dugan and Holmes singled. Then Harper drove the pill into deep left field, it bouncing over the fence and scoring Dugan.

Score.
