The Boy LaFlamme-His Cure Was Surprise-A Few Boxes of Dodd's Kidney Pills.

PAPPINEAUVILLE, March 30. - The father of the boy LaFlamme is one of the leading merchants here and willing to talk of his son's cure. He says: "My little boy Arthur, after scarlet fever about a year ago, never recovered, and his ailment ran into a kidney trouble. His body was swollen to twice its natural size. The sufferings of the little fellow were very severe and we had all given up hope of him. But three months ago we commenced giving him Dodd's Kidney Pills, and today he is romping and playing with other boys." This as an instance of prompt cure is very remarkable.

The contest at the conclusion is one of endurance and skill, and excites an audience to unbounded enthusiasm, as all the people in the contest strive earnestly to win, and the dancing contest is decided upon its merits. TO THE FLECTORS OF THE SOUTH

RIDING OF MIDDLESEX. Gentlemen,-I notice a certificate, signed by several Liberal M. P.s, which appeared in yesterday's "Advertiser," saying Mr. Boston, the member for the south riding, had been at Ottawa, attending the meetings of the House, committees, etc. It does seem to me a very queer proceeding, when a member from a riding such as South Mid-Mr. Powell, the new member for dlesex is has to get a certificate to Westmoreland, tried to make explanabers of the House, that he has been there. Otherwise, they would never ha.e known it. Fellow-electors, does not this prove to you the necessity again, as I said in my circular of March 27, that should Mr. Boston receive the nomination at the convention on Monday, I will be in the field as a Liberal candidate, and will stay there till the last vote is polled, but will support with all my power any competent man named by the tion. Yours faithfully, F. B. LEYS. London, April 4, 1896.

The rapidity with which croup de velops calls for instant treatment; and yet a few households are prepared for its visits. An admirable remedy for this disease is Ayer's Cherry Pectoral. It has saved hundreds of lives, and should be in every home where there are young children.
