

"Imperva" is a stylish handsome cloth that rain can't get through.

"Imperva" is not a waterproof cloth, it is a cloth waterproofed. That is considerable of a difference.

"Imperva" is the most stylish light overcoat cloth, in handsome patterns and colorings, made waterproof by our special process.

"Imperva" Rain Coats look and feel like ordinary good quality cloth—our rain-proofing process neither dims the color nor changes the fibre—but they are perfectly proof against rain.

We make "Imperva" into stylish rain coats, with or without belts at the back. We would like to show them to you.
