If \$500 can be raised in the Ottaway Avenue Christian Workers' Church in their first anniversary services next Sunday, the building of a new church will be commenced. The building as planned will be a frame structure 60 feet long by 40 feet wide, built to accommodate 500 people. The church is not to cost more than \$3,500, and will be paid for in yearly payments of \$500. The decision as to the building of the church depends on whether the congregation show themselves willing and able to contribute the initial payment. The church was only organized a year ago by the pastor, Mr. Booth. It had at that time 30 members and a con-
