## Art Needlework Department--Stamped Waists for Art Embroidery in Colored Silks

These are in Marquise and Cotton Voile, popular materials, admirably suited for this class of work—in handsome designs, including designs for French Knot Beading, Couching, "Mille Fleur," Cross Stitch and Persian Embroidery, have round necks and the fashionable kimono sleeve. The easy manner in which these waists are made is responsible for their tremendous popularity. A yard and one-half of material is allowed for each garment, all ready stamped and full details are given—in a simple yet efficient manner—for the working and making up of the garment, anyone can readily follow the instructions and all complications have been removed.

The loose sleeves may, or may not extend over the elbow—this is immaterial as bands of lace insertion will bring these to any desired length. When made up these waists have a distinctiveness that is worthy of the effort to make them up, they are artistic and dressy, and in every way superior, in appearance and quality, to the ready-to-wear waist.
