MUSIC AND DRAMA

The Cummings Stock Company will begin heir engagement at the Berlin Opera House should be greeted by a large audience. The company is an exceptionally good one and having delighted Toronto audiences at the ness Theatre for the past fourteen weeks should meet with the same suc here. The play selected for the opening is one in which there is just sufficient plot on which to hang numberless ludicious mis-takes and false positions. Dr. Bill before his marriage was a practitioner of consider able popularity among the ladies of certain vaudeville and comic opera organizations. At his marriage he renounces his profession and leads a quiet life as Mr. William Brown. His father-in-law who believe that idleness is the bane of existance force him back to medicine again. One by one his eld patients come back to him and this gives room for all kinds of farcical mistakes The piece will be well staged and under the personal direction of Mr. Robert Cummings, while the cast that will present the comedy is made up of some of the best artists in the company. Those who visit the Opera House to-night will doubtless receive a great treat. Pink Dominoes will be present
