

Fresh Garden, Field and Flower SEEDS!

THE subscriber beg to inform his numerous friends and the public generally, that his stock of FRESH SEEDS for spring sowing is now complete. The Stock of

AGRICULTURAL AND GARDEN SEEDS

is well selected and extensive, and the purity and vitality of each sort is fully tested before offering them for sale, so that the public may safely calculate on being well served.

Agricultural Societies, Merchants, and Others can be supplied with complete assortments, neatly put up in papers or by weight, at very moderate prices.

Catalogues of the Agricultural, Garden and Flower Seeds, with directions for preparing the ground and sowing the Seeds, can be had on application.

TWENTY packets of choice Flower Seeds will be sent free by post to any part of the Province, to the address of any party remitting \$1, free of postage.

The subscriber would call the attention of his Agricultural friends to a portion of his stock, comprising—

Purple Top Swede Turnip	Spring Rape
Yellow Aberdeen do	Red Clover
Do Altringham do	White do
White Belgian arrot	Orchard and other grasses
Long Orange do	Timothy (pure Seed)
Do Red Altringham do	White Marrowfat Peas
Do Red Mangel Wurtzel	Early and Late Field do
Yellow Globe do do	Seed Barley
Red do do do	Spring Wheat
White Sugar Beet	Common Oats
Field Parsnip	Spring Tares, &c.

Also, a fine lot of of EARLY FINE POTATOES, Early Shaw do, Early Gold Penders, and several other varieties.

JAMES FLEMING,

Seedsman to the Agricultural Association Upper Canada.

Toronto, March 27, 1855.

IMPORTED, THOROUGH-BRED, SHORT HORN BULL.

MR. STONE, having one Bull more than the necessities of his own herd require, wishes to sell him. He is four years old, is a good colour, possesses an untarnished pedigree, and is in every respect an unexceptionable animal.

Guelph, March 20th, 1855.

UPPER CANADA STOCK REGISTRY.

To Owners and Breeders of Thorough Bred Horses and Cattle.

THE BOARD OF AGRICULTURE FOR UPPER CANADA, having determined to open a REGISTER, at their Office, in this city, for thorough Bred Horses and Cattle, Notice is hereby given, that any person desiring to avail himself of such register, can do so under the restrictions herein mentioned, furnishing duly certified particulars to this office; and can obtain a certificate of the same, which shall be held as officially correct in all future transactions relating to the stock so registered.

No Animal shall be registered, unless a clear and distinct connection be established, to the satisfaction of the Board, both on Sire and Dam, with the British or American Stud and Herd Books.

Where the Animal to be registered has been purchased by the person desiring to register, or has been imported for breeding purposes, a correct statement must be given of all particulars before a certificate can be issued.

It is desirable, in order facilitate the taking of entries for the Provincial Exhibition at Cobourg in October next, that persons desiring to register stock should do so at an early date, as all animals for which Register certificates shall have been given will be entered without further inquiry. Owners of stock are recommended to keep Duplicates of Pedigrees.

G. BUCKLAND. Secretary.

Office of the Board of Agriculture }
Toronto, March, 1855. }

SHORT-HORN BULLS.

R. WADE, Junior, of Cobourg has Five Young DURHAM BULLS for sale, and would be glad of a call from parties wishing to purchase.

Cobourg, January 1 1855.

DRAINAGE AND SEWERAGE PIPE MACHINE

CHARNOCK'S PATENT.

BY this Machine, Drainage and Sewerage Pipes of all descriptions, as well as perforated and other Brick, Flooring Tiles &c., are molded with the greatest facility and precision.

A man and three boys can turn out from 5,000 to 10,000 feet of pipes per day, according to sizes; and if worked by horse, steam or water power, a proportionate increase will be obtained.

This Machine is in extensive operation in England, where, in addition to the testimony of numerous Tile Makers, as well as that of the first Mechanists of the day, the following Prizes have been awarded to it.

By the Yorkshire Agricultural Society, at its annual meeting, 1845, as the first Tile Machine with a continuous motion, £5 0 0

By the same Society, the following year as the best Machine of the day, 10 0 0

By the Lancashire Agricultural Society, at its annual meeting, 1845, Silver Medal.

By the Highland Agricultural Society, at its annual meeting in 1846, as the best machine 5 0 0

At the meeting of the New York State Agricultural Society, at Saratoga (1853), a working model of this Machine was awarded the Silver Medal and Diploma; and at the Fall Exhibition the same year of Lower and Upper Canada, held respectively at Montreal and Hamilton, the same Model was awarded a Diploma from each Society. It was awarded the First Prize and Diploma at the recent Exhibition in London Canada West.

The price of the Machine is £30, (half cash and remainder at six months), with five Dies for Pipes. Brick and other Dies at a moderate charge.

The Patentee guarantees the effective working of the Machine.

All orders to be addressed to

JOHN H CHARNOCK,

Drainage Engineer, Hamilton, C. W., the Patentee.

Hamilton, March, 1855.

PURE-BRED ANIMALS.

AT PRIVATE SALE,

Mount Fordham Westchester Co., 11 miles from City Hall, New York, by Harlem Railroad.

HAVING completed the sale of animals, as advertised in Catalogue of 1854, (excepting Short Horned bull "Balco" 9918), at prices highly remunerative, for which patronage I feel grateful, not only to the public of almost every State in our Union, but to the Canadas, Cuba, and the Sandwich Islands; I will issue about the 1st of April a Catalogue for 1855, of Short Horned Bulls, and Calves (some of which belong to my friend, and part associate Mr. N. J. Becar) North Devon Bulls and Bull Calves, Southdown Rams, Suffolk, Berkshire, and Essex Swine, of almost all ages, and of both sex, now ready for delivery. This catalogue will be illustrated with portraits of my Prize Animals. Most of the original animals of my breeding establishment were selected by me in England in person, and strictly in reference to quality, in my judgment, best adapted for the use of this country.

January 30th 1855.

L G MORRIS
