PUBLISHER'S DEPARTMENT.

CANADA is a monthly Journal, cheap, pure, interesting, instructive, and thoroughly Canadian, and is published by Matthew R. Knight, at Benton, New Brunswick.

Subscription Price.—In Canada and the United States, 50 cents per year, or 75 cents when not paid in advance; in Great Britain and Ireland, Newfoundland and Countries of the Postal Union, 75 cents per year, strictly in advance. Three copies will be sent to one address in Canada or the United States for \$1.00 per year, in advance, but when subscription expires these will be charged at full rate.

Discontinuances.—Subscribers wishing to have CANADA discontinued at expiration of subscription must notify us to that effect, otherwise we shall continue sending it.

Remittances.—Remittances should be made by Post Office Order or Registered Letter. Fractions of one dollar may be sent in Canadian one and three cent and American two cent stamps.

Advertisements.—Advertising rates will be found on first page of cover. When the number of insertions has not been specified in contract, advertisements will be charged for until ordered to be discontinued.

Agents Wanted.—We want a good agent in every city and town in the Dominion to solicit subscriptions for CANADA, and to those who mean business we are prepared to offer very liberal terms.

Offer to Subscribers.—We want to largely increase our subscription list at once, and so we make this offer to our subscribers for the rest of the year: If you have sent us the full subscription price of 50 cents for your own copy for 1891, we will give you 25 cents commission on every subscription you send us, provided you do not send less than four subscriptions the first time.

Back Numbers.—We keep very few back numbers on hand. Those who pay full subscription price of 50 cents may obtain the earlier numbers until the supply is exhausted.

Clubbing Rates.—We do not publish a full clubbing list, but we can quote clubbing rates with almost all the leading Canadian and American periodicals, so our friends have a host of chances to get CANADA for nothing.
