

### Canadian Flags for the Schools

That the schools appreciate our Diamond Jubilee offer of flags as special premiums is shown by the numerous responses we are having from all parts of the country.

One principal in British Columbia writes:— 'The terms are very generous. I think it very likely we will be able to take advantage of your offers. We already have a large 16 ft. flag and flag-pole, which the pupils presented to the school last 24th of May. But in addition to this I should like to see one in each of the five rooms. We are equally interested in your library offer. Kindly let me have particulars of books you are prepared to give.'

REMEMBER!—Not only schools may earn a flag. Clubs, societies, communities, any group of people who will work together for a flag may have one, or individuals may on the same terms.

JOHN DOUGALL & SON, Publishers, Montreal.

MELBOURNE, ONT. Dear Sir,—Owing to a mistake two dozen Caricatures arrived, instead of one dozen ordered. I undertook to sell them all, so as to earn two watches, one for my brother who helped to sell them. I met with good success, as they sold like 'hot cakes.'

### FREE TO SABBATH SCHOOLS

The 'Messenger' is at once the cheapest and most interesting paper published of its kind.

The Subscription rate for Sabbath-school clubs is only Twenty Cents a year.

If your school already takes another paper, perhaps some particular class would try the 'Northern Messenger.' The 'Messenger' stories would prove a real incentive to regular attendance and would be helpful in every home the paper entered.

Our experience is that if one class gets it the whole school will order it before long. The circulation of the 'Northern Messenger' has grown with leaps and bounds, numbering to-day over sixty thousand copies a week.

Superintendents or teachers may have it on trial for four consecutive weeks FREE OF CHARGE, in sufficient numbers to give a copy to each family represented.
