Henneberry.—The Very Rev. P. Henneberry, C. P. P. S., one of the best-known missionary priests on the Pacific Coast, died Sept. 12 in Virginia City, Nev. He was stricken with paralysis while conducting a mission in Virginia City. Father Henneberry was one of the most zealous, most self-sacrificing and most successful of missionaries. He was a member of the Society of the Precious Blood, and was superior of the house in Alton, Cal. There is not an English-speaking country where his voice has not been heard preaching the Gospel. Father Henneberry was born in the parish of Mooncoin, County Kilkenny, Ireland, in 1830. He left home in 1847 and entered the Congregation of the Precious Blood in Ohio. His wonderful talent for acquiring languages specially fitted him for the missions. He could preach in many Indian dialects and in African and Asiatic tongues, with most of the modern European languages. A few excerpts from his notebook will show the vastness of his labors. He records that he gave 126 missions in Australia alone, administered the sacraments to and pledged 22,730 in New Zealand, 2,100 in Tasmania, 14,490 in Queensland, 800 in Wagga, 1,300 in Bathurst. To reach this grand total of 41,420 souls he had to travel 26,593 miles. This is but one page from his notes and but a very small portion of his labors. Father Henneberry leaves three relatives on the coast, two sisters—Mrs. John Moran, of Virginia City and Mrs. Rollins, of Oakland, and a niece, Sister Alicia of the Dominican Order, San Leandro. The fatal attack came upon him whilst he was celebrating the Holy Sacrifice of the Mass.
