It Makes You Hungry

"I have used Paine's Celery Compound and I have had a salutary effect. It invigorated the system and I feel like a new man. It improves the appetite and facilitates digestion."
J. T. CORE,
L. S. J. P. S. C.
Spring medicine means more now-a-days than it did ten years ago. The winter of 1888-89 has left the nerves all fagged out. The nerves must be strengthened, the blood purified, liver and bowels regulated. Paine's Celery Compound—the Spring medicine of to-day—does all this, as nothing else can. Prescribed by Physicians, Recommended by Druggists, Endorsed by Ministers, Guaranteed by the Manufacturers to be

The Best Spring Medicine.

"In the spring of 1887 I was all run down. I would get up in the morning with so tired a feeling, and was so weak that I could hardly get around. I bought a bottle of Paine's Celery Compound, and before I had taken it a week I felt very much better. I can cheerfully recommend it to all who need a building up and strengthening medicine." Mrs. E. A. Dow, Burlington, Vt.

Paine's Celery Compound

is a unique tonic and appetizer. Pleasant to the taste, quick in its action, and without any injurious effect. It gives that rugged health which makes everything taste good. It cures dyspepsia and kindred disorders. Physicians prescribe it. \$1.00. Six for \$5.00. Druggists.

CATARRH.

A New Home Treatment for the Cure of Catarrh, Catarrhal Deafness, and Hay Fever.

The microscope has proved that these diseases are contagious, and that they are due to the presence of living parasites in the lining membrane of the upper air passages and eustachian tubes. The eminent scientists—Tyndall, Huxley and Beale—endorse this, and these authorities cannot be disputed. The regular method of treating these diseases is to apply an irritant remedy weekly and even daily, thus keeping the delicate membrane in a constant state of irritation, accompanied by violent sneezing, allowing it no chance to heal and as a natural consequence of such treatment not one permanent cure has ever been recorded. It is an absolute fact that these diseases cannot be cured by an application made oftener than once in two weeks, for the membrane must get a chance to heal before any application is repeated. It is now seven years since Mr. Dixon discovered the parasite in catarrh and formulated his new treatment, and since then his remedy has become a household word in every country where the English language is spoken. Cures effected by his seven years ago are cures still, there having been no return of the disease. So high are these remedies valued, and so great is the demand for them, that ignorant imitators have started up everywhere, pretending to destroy a parasite—of which they know nothing—by remedies the results of the application of which they are equally ignorant. Mr. Dixon's remedy is applied only once in two weeks, and from one to three applications effect a permanent cure in the most aggravated cases. N.B.—For catarrhal troubles peculiar to females this remedy is a specific. Mr. Dixon sends a pamphlet describing his new treatment on the receipt of ten cents in stamps. The address is A. H. Dixon & Son, 303 King Street West, Toronto, Canada.—Scientific American.

Sufferers from catarrhal troubles should carefully read the above.

4 DECADES

HAVE BEEN AS EFFECTIVE SINCE THE FIRST USE OF WISTAR'S BALSAM OF WILD CHERRY.

WISTAR'S BALSAM OF WILD CHERRY
CURES COUGHS AND BRONCHITIS, AND YET IT DOES NOT OF CURING. SEE THAT "I. BUTTS" IS ON THE WRAPPER.

I have a Positive, Cleanly & Harmless Cure. Consult me at
28 Arthur Street, Cleveland, O.
It is no iodine cure. Testimonial furnished. Cure made permanent.
DR. J. CASKEY.

Household Hints.

PICKLED CAULIFLOWER.—Take good, white heads in small pieces and boil in salt and water. Drain; when cold, put in spiced vinegar.

THE ENVY OF MEN.—Ladies who use "Lotus of the Nile" Perfume.

PEACH MANGOES.—Remove the stones from fine peaches; fill with mustard seed, pounded mace, tumeric, celery seed and ginger. Sew up and drop in a jar of vinegar prepared as for yellow pickles.

FROZEN CAKE.—Make a plain cup cake. Make a quart of frozen custard. When ready to serve, take the centre out of the cake, fill the space with the frozen custard, cover the cake with the top, pack in ice for half an hour.

SICK HEADACHE and DYSPEPSIA are quickly dispelled by Campbell's Cathartic Compound.

YELLOW PICKLES.—Take two gallons of vinegar, two pounds of sugar, one ounce of tumeric, three of allspice, one of cloves, one of mace, one pint of mustard seed and two tablespoonfuls of celery seed. Pound all together and stir in hot vinegar. Pour over cucumber pickles.

I SUFFERED for a long time from a severe, hacking cough, which was pronounced by a skillful physician to be dangerous and liable to terminate in consumption. I was completely cured by using WISTAR'S BALSAM OF WILD CHERRY. HENRY A. BEAN, Lawrence, Mass.

PINEAPPLE SHERBET.—Prepare one large or two small pineapples, by first peeling, removing all the eyes, and then chopping it finely. Cover it with a pint of fine sugar and six gills of water. Heat half of the water first, and dissolve in it one tablespoonful of crinkly gelatine or half that quantity of the powdered kind. Stir this well and then freeze.

A REALLY GOOD TRAVELING COMPANION—Perry Davis' Pain-killer.

DRIED APPLE PIES.—Soak the apples a few hours, then put them on to cook slowly till done, so you can stick them well with a fork, but not soft. Take the apples out in your chopping bowl and chop them fine; return to the juice, sweeten to taste, and put the juice of one lemon into material for two pies. Bake with two crusts.

Minard's Liniment cures burns, etc.

CHOCOLATE MACAROONS.—To be eaten with ices. Melt three ounces of chocolate, and stir into a thick paste with a pint of pulverized sugar and the whites of three eggs. Roll out this mixture to the thickness of a quarter inch, and dust with fine sugar; bake in a hot but not quick oven, in a buttered tin.

The Baltimore Post Office.

I don't care who is appointed to the Baltimore post office, said General Johnson to the President, but I do insist that my cook use Imperial Cream Tartar Baking Powder. I am done with powder containing alum and ammonia.

CHARLOTTE RUSSE.—Dissolve half an ounce of gelatine in one gill of hot water, add the whites of three eggs beaten stiff, and a teaspoonful of powdered sugar. After stirring briskly pour in one pint of whipped cream when the gelatine mixture has cooled a little. Before it becomes quite cold or the gelatine sets, it should be poured into one large mould or dish (unless individual ones are desired then some flaring cups may be used).

COUGHS AND BRONCHITIS.—If everything has failed, try Allen's Lung Balm and be cured.

BROWN BREAD.—I took a pint bowl full of the white bread rising, while it was soft, put into it half a teaspoonful of molasses, half a teaspoonful (scant) of soda dissolved in hot water, and then cooled with cold water, half a teaspoonful of butter. Pour this into a pan, and stir into it enough brown flour to make a very stiff batter; then turn this into the pan, well greased, in which you wish to bake it, and let it rise. It should half fill the pan, and rise the rest of the way before baking. Bake three quarters of an hour.

Herford's Acid Phosphate
For the tired brain
from over-exertion. Try it.

WHITE SPONGE CAKE.—Bake the whites of eight fresh eggs for at least two minutes, and then add a small teaspoonful cream tartar and beat five minutes more, one and a half cupfuls of powdered sugar, one cupful of flour and a teaspoonful of extract of lemon. Bake in a slow oven.

DR. HARVEY'S SOUTHERN RED PINE for coughs and colds is the most reliable and perfect cough medicine in the market. For sale everywhere.
