

An Exceptional Offer for March

LIVING : PAPERS

—ON—

Present Day Themes.

A SERIES OF TEN VOLUMES.

The subjects treated are **the leading topics of the day**, and the writers are acknowledged authorities on the particular themes discussed.

We wish to place this set of books in the library of every thoughtful minister.

The set cannot but be desired as soon as their worth is known.

Can you in any other shape add to your library so much valuable material with so small an expenditure?

These have until lately been sold at \$1.25 per volume, \$12.50 per set. We now make the following

SPECIAL OFFER: We will send this valuable set of books to any minister for **\$6.25** per set, net.

SEND FOR FULL LIST OF AUTHORS AND SUBJECTS.
