**NOTICE.**  
The Committee of Lloyd's beg to call the at-  
tention of merchants to the fact that, in all  
cases when they may have to make claims for  
loss or average on their Policies, it would very  
much facilitate a settlement by their Under-  
writers if they would instruct their consignees,  
in the absence of special provision in the Policy,  
to call in Lloyd's Agent at the port of arrival,  
with a view to his conducting the necessary  
surveys and assessing the damage sustained.  
It is believed that a clause, insisting on the  
employment of surveyors appointed by Under-  
writers, has been inserted in the policies of most  
American and Continental Marine Insurance  
Companies. While English Underwriters do  
not make this measure compulsory, consignees  
should be aware that claims will probably be  
settled in this country with greater readiness  
if they are properly supported by the certifi-  
cates of a Lloyd's Agent.
