GARDENING FOR LADIES.

Mr. Downing, in the February number of the Horticulturist, when urging the ladies to decorate their homes with climbers and creepers--the drapery of nature more beautiful far than festoons of satin and gold--says: "All that is most graceful and charming in this way owes its existence to female hands. . . . They are naturally mistresses of the art of embellishment. Men are so stupid in the main about these matters, that if the majority of them had their own way there would neither be a ringlet nor a ruffle, a wreath nor a nosogay left in the world."

Without entirely assenting to the truth of the above, we would say that the ladies have ever been considered, the world over, the almost exclusive patrons of flowers. And we know of no employment--no exercise or recreation--so conducive to health and happiness--none that will bring so effectually the glow of health to the cheek, and of joy to the heart as Gardening. It not only furnishes exercise, but exercise in the open air, and that regularly. While riding and other modes of exercise are attended with expense, and inconvenience, and loss of time, and are seldom attended to regularly, even by those most favored; yet she who cultivates a flower garden, and loves flowers, will seldom neglect her daily task. The ever encroaching weeds, the necessities of her plants, call daily for her attentions--and seldom call in vain.

The healthy appearance of English ladies is noticed by all American travellers. And for this they are in a great measure indebted to their passion for gardening. All English ladies work in the gardens, from the proudest princess to the poorest cottager.

When the hoe and the spade were almost the only garden implements in use, ladies had some excuse for neglecting to cultivate their gardens with their own hands; but now, implements are made so light and convenient, especially for ladies' use, that there would seem to be no excuse. The Ladies' Garden Fork is one of the most useful of these, either in the garden, or among plants in pots. The Transplanting Trowel is a light and convenient implement for removing them to the desired place, without disturbing their roots or checking their growth. We see advertised in the eastern papers Ladies' Gardening Gloves; but we would not advise our fair readers to be particular about the mittens.

The architect may design, and the builder erect, the stately mansion or the simple cottage; it may be faultless both in design and execution, yet it stands stiff, unmeaning and lonesome;--but let some fair hand surround it with the drapery of nature--leaf and blossom--and it is changed as if by magic; its deformities, if any, are hid, its beauties heightened, and it becomes at once the abode of grace and beauty.---Genesee Farmer.

OTTO OF ROSES.--The best otto of roses is made at Ghazepore, in Bengal, and the variety cultivated there for its production is the musk rose. One acre contains 2000 rose trees, which yield 20,000 roses during the flowering season in March and April; the flowers are sold for 40 to 70 rubees the 10,000. Each 10,000 roses yield 180 grains of otto; and every 168 grains, or a tolah of otto, sells for 80 or 90 rubees. The roses at Ghazepore, fetch from 15,000 to 20,000 rubees a-year; and the profit deprived from the manufacture, which the growers never undertake, is estimated at a 40,000 rubees.

DR. JAMES HOPE'S VEGETABLE PURIFYING HEALTH PILLS.

Dear Sir,--You may very safely and with every confidence recommend the above PILLS, as a very superior Medicine in cases of Indigestion, Bilious Attacks, Sick Headache, Giddiness, Loss of Appetite, Lowness of Spirits, with sensation of Fullness at the Pit of the Stomach, Pains between the Shoulders, Acidity in the Stomach and Bowels, Flatulency, Spasms, Heartburn, Dimness of Sight, Drowsiness, and the Distressing feeling arising from Debility and Indigestion.

All these diseases have each something in common, each some principle of CONTINUITY, which, amid all their apparent variety, establishes their unity of type, one remedy alleviates or cures them all; and that remedy is DR. HOPE'S PILLS.

They are the very best remedy, and can be taken at any time, without any danger from wet and cold, requiring no restraint from business or pleasure; they act mildly on the bowels, without pain or griping, giving strength to the stomach, and promoting a healthy action of the liver, by which they prevent and cure Jaundice and Dropsy, clear the skin, remove Sallowiness and Pimples, purify the Blood, brace the Nerves, and invigorate the whole system. Females at a certain age should never be without them.

From what I know of the above PILLS, I can unhesitatingly recommend them as a valuable Medicine, especially for the diseases mentioned above.

S. F. URQUIHART, YONGE STREET, TORONTO, General Agent in British North America.

SIR HENRY HALFORD'S IMPERIAL BALSAM,

FOR THE CURE OF RHEUMATISM, ACUTE OR CHRONIC, RHEUMATIC GOUT, NEURALGIA, AND DISEASES OF THAT CLASS.

THIS extraordinary and potent compound is made according to a favorite prescription of the above eminent Physician. Sir Ashley Cooper, also, frequently referred his students to the compound as eminently calculated for the cure of Rheumatism, and other diseases of that class--its ingredients are entirely from the Vegetable Kingdom, and if any medicine could legitimately be denominated a specific, this remedy is preeminently entitled to that appellation. But the Proprietor does not believe in INFALLIBLE SPECIFICS for the cure of any disease; yet his confidence in this medicine is such from personal knowledge, as to supply it, when taken under his own supervision, on the condition of "NO CURE NO PAY." Its success, in almost every case where it has had a fair and honest trial, fully confirms its general reputation, of being the very best medicine in the world for the cure of RHEUMATISM, GOUT, NEURALGIA, &c., TORONTO, 14th December, 1848.

Sir,--Having for a considerable time severely suffered from an attack of Rheumatism, in my right arm and side. I applied to one of our respectable Physicians; but his treatment was of no permanent benefit to me. I was, therefore, induced to procure a bottle of your IMPERIAL BALSAM, which has completely cured me, having now been perfectly free from any kind of pain for twelve months. You may use this communication as you think proper, and refer enquirers to

Yours, very gratefully, GEORGE CLEZIE, Cabinet-Maker, No. 4, Adelaide Street, East. Price 2s. 6d., 3s. 9d. and 5s. per Bottle. The above Medicine is for Sale by S. F. URQUIHART, General Agent, 69, Yonge Street, Toronto.

Dear Sir,--Being for the last four years subject to severe attacks of Rheumatism, Gout, or Rheumatic Gout,--I know not which; and having tried many remedies, prescribed by different parties, I have now no hesitation in stating that your Medicine, called SIR HENRY HALFORD'S IMPERIAL BALSAM, has stopped the complaint in the preliminary stages, four times over, in a few hours. Indeed, although you prescribe it to be taken four times a-day, I have never had to resort to it more than twice. Not only myself, but some friends to whom I have given some, were similarly relieved;--and in no case have I found it to fail. This is the first FALL, for four years, I have escaped the affliction, and which I attribute, under Providence, to the use of your Medicine.

JOHN CRAIG, Painter and Glazier, 76, KING STREET, WEST, Toronto, 16th December, 1849.

A Case of Chronic Rheumatism of fifteen years standing, cured by Halford's Balsam and Hope's Pills. TORONTO, 14th December, 1848.

DR. URQUIHART: Dear Sir,--I hereby certify, that I have been afflicted with Rheumatism for fifteen years; for a considerable time I was confined to bed, and the greater part of that time I could not move myself; some of my joints were completely dislocated, my knees were stiff, and all my joints very much swelled: for the last three years, I was scarcely able to do three month's work without suffering the most excruciating pains, I was doctored in Europe by several physicians of the highest standing in the profession as well as in this province, I was also five months in the Toronto Hospital, and, notwithstanding all the means used, I could not get rid of my complaint, indeed I was told by a very respectable physician that I never could be cured, so that at the time my attention was directed to your SIR HENRY HALFORD'S IMPERIAL BALSAM, for the cure of Rheumatism, and Rheumatic Gout--and Dr. HOPE'S PILLS, I was despairing of ever getting cured; when I called on you, I was hardly able to walk, and what was almost miraculous, in three weeks from my commencing to take your medicine, I gained fourteen pounds in weight; my health was much improved, and in about three weeks more my Rheumatism was completely gone and my health perfectly restored. I now enjoy as good health as any man in Canada. Since my recovery I have walked forty-six miles in one day with perfect freedom, and I assure you, Sir, that I feel truly thankful. You can make any use of this you please; my case is known to several individuals of respectability in this city their names you know and can refer to them if necessary.

Yours, truly and gratefully, THOMAS WRIGHT.

Parties referred to, William Gooderham, William Osborne, Samuel Shaw, Esquires.
