EAGAR'S PHOSPHOLEINE;

OR

Cod Liver Oil Cream with Hypophosphites.

FOR THE CURE OF

Consumption, Paralysis Bronchitis, Asthma, Dyspepsia, Scrofula, Salt Rheum and other Skin and Blood Diseases, Rickets, Anemia, Loss of Flesh, Wasting both in Adults and Child, Nervous Prostration.

Invaluable as a Tonic to brace up the System when it is in that state known as BELOW PAR brought on by Mental Anxiety, Over Brain Work, Overnourishing of Mothers and other Excesses which, if not relieved, end in DIPHTHERIA, LOW FORM OF FEVER, CONSUMPTION, &c., &c.

PERFECT PLEASANT PURE COMBINATION. TO THE TASTE. INGREDIENTS.

Many persons who have not used Eggar's Cream confound it with the many Emulsions which are freely offered for sale. To such Mr. Eggar begs to say that EAGAR'S CREAM is ENTIRELY DIFFERENT FROM ANY PREPARATION in the market, and unlike the ordinary combinations of Cod Liver Oil, it produces NO ERUCTION nor sense of nausea after taking; in fact, Patients find it so pleasant and effective that they like the taste and look for it even after they are well.

As a proof of its being different from other preparations, it has EFFECTED CURES AFTER OTHERS HAVE FAILED. For one of the many such cures see certificate of Mr. Archibald below.

In order to avoid having this Cream classed with Emulsions, Mr. Eggar will in future call this Cream PHOSPHOLEINE.

Below are the names of LEADING MEN IN THE PROFESSION who have tried Eggar's Cream; and if you are not satisfied that it is the BEST MEDICINE IN USE for wasting Diseases go and ask any one of them.

- Hon. W. J. ALMON, M. D., Senator. W. B. MAYER, M. D., F. O. M. L., F. R. C. P., F. R. C. S., F. R. C. P. Lecturer on Diseases of Women and Children, Halifax Medical College. R. S. BLACK, M. D., 49 Queen Street. ARCHIBALD LAWSON, M. D., Prof. Surg., Halifax Medical College. T. H. AGNEW, M. D., Phys. and Surg. to Poor's Asylum, Phys. to Infants' Home, ARTHUR STANLEY, M. D., M. R. C. S., Edin., City Medical Officer, Surg. Police and City Prison; Phys. and Dental Institute, Leigon, West End, Edin. W. N. WICKWIRE, M. D., Insp. Chief Physician, Port of Halifax. R. ADLINGTON, M. D., Edinburgh, M. R. C. Surg., England, Mem. Col. Phys. and Surg., Ontario, etc. C. A. TEFPT, M. D., Toronto Health Institute. E. O'REILLY, M. D., C. M., General Superintendent at Toronto General Hospital.

The following certificates are from gentlemen who have learned the exact state of their cases from the physicians who attended them during their illness, and know beyond a doubt that they were cured by the joint efforts of a carefully directed dietary treatment, and Eggar's Cream as medicine—their certificates are therefore valuable.

Attention is particularly called to the case of Mr. Harrington. His physician says that the cure was an Unmistakable case of Tubercular Degeneration of the Lung or Incipient Consumption, and that his is one of the Few Cases that has ever been cured.

In Mr. Black's case, the physician who attended says the patient was very delicate; the certificate is bona fide.

From the certificates and letters of Dr. E. A. Tefft, of the Medical Therapeutic Institute of Toronto, and both the statements contained therein and the quantity used will prove conclusively the value of Eggar's Cream or Phospholeine.

Read the certificate of Dr. O'Reilly, of that celebrated and extensive Institution, the Toronto General Hospital, where Eggar's Cream was tested by washing and other diseases during a period extending over five months, and after such evidence in its favor the most sceptical will be satisfied that EAGAR'S CREAM is superior to all in the cases for which it is recommended.

MR. M. F. EAGAR, Halifax, N. S. DEAR SIR—Last winter my son, aged six years, caught the whooping cough. The disease settled on his lungs, and for a month we almost despaired of his life. Our doctor advised me to give him your Cod Liver Oil Cream with Hypophosphites, and under its use he completely recovered. Yours truly, LEWIS DIMOCK.

DEAR SIR—Last summer I was troubled with a Cough, and my physician says, unmistakable symptoms of Consumption, including debility and loss of flesh. I lost 30 pounds in weight in a few weeks. My physician, who examined me advised me to use your Cod Liver Oil Cream with Hypophosphites, and I am happy to be able to inform you that it has produced a complete cure, and I have regained from 12 to 15 pounds in weight, and am now enjoying good health. I sleep at night across Cape Breton during a snow storm in December without suffering from it in the least. I am, dear sir, yours faithfully, E. R. HARRINGTON.

Mrs. CHESMAN, Willow Park, Halifax, begs to add her testimony in favor of Eggar's Cod Liver Oil Cream. Having suffered from an affection of the lungs for several years past, together with most distressing attacks of Phthisis, and having tried almost every known remedy, many of which more or less relieved the cough and depression, was last autumn recommended to try Eggar's Cod Liver Oil Cream, which she did, with immediate, singular and beneficial results. It reduced the cough, relieved the distress and depression, improved the appetite, and increased flesh and strength.

Mrs. Chipman considers Eggar's Cod Liver Oil Cream an invaluable medicine, and would recommend all persons suffering from weak lungs or Phthisis to try it, as, for it it has the same effect upon others as it is having upon her, there is no estimate to its advantages upon the health and spirits of the patient.

M. F. EAGAR, Esq., Halifax. DEAR SIR—During the fall of 1876 I contracted a severe cold, which settled on my chest, causing inflammation of the lungs. For the next two years I used many different preparations, including the Emulsion of—'s Knebler, and a so-called Compound Syrup, from both of which I derived any benefit. Meantime, hearing of your Cod Liver Oil Cream, I gave it a trial, and am happy to state that it has very materially benefited me, and would strongly recommend it to one and all who may be similarly afflicted, being convinced that the ingredients contained in your Cream are what is necessary for rebuilding of the crumpled or diseased lungs. Yours, gratefully, ISAAC ARCHIBALD.

MR. M. F. EAGAR, Halifax, N. S. DEAR SIR—It is with plea ure that I can recommend your Cod Liver Oil Cream with Hypophosphites. In every case it has met my expectations, and is the best preparation of the kind that I have ever used; some of my patients come to like the taste, and some call it unpleasant, which is very greatly in its favor. Enclosed please find Post Office Order for \$1.00, to balance my account to date, and oblige me by sending another gross. Yours very truly, E. A. TEFPT, M. D.

MR. M. F. EAGAR, DEAR SIR—Enclosed find P. O. Order for amount due for last gross of your Cod Liver Cream; it was received a month after being shipped by you. I find it all and EVEN MORE THAN YOU RECOMMEND IT TO BE. Yours truly, E. A. TEFPT, M. D.

MR. M. F. EAGAR, DEAR SIR—Nearly out of your Cod Liver Cream. Please send another gross as soon as possible. Yours truly, E. A. TEFPT, M. D.

M. F. EAGAR, Esq., Halifax, N. S. DEAR SIR—I am very highly pleased with action of your Cod Liver Oil Cream with Hypophosphites. It has been used in Hospital and other Wasting Diseases with success, and being so palatable, is a splendid substitute for the ordinary Cod Liver Oil. Will you kindly let me know the lowest wholesale rate for a quantity for Hospital use? Yours truly, C. O. REILLY, M. D., C. M., General Superintendent.

The following is a few of the many hundreds who have derived great relief from the use of EAGAR'S CREAM, and whose certificates can be seen at Mr. Eggar's store.

One bottle Eggar's Cream will accomplish more than one dozen bottles of oil in Wasting Diseases and patients find the benefit on taking the first dose.

Some of those Physicians who have given testimonials in favor of other preparations have since been convinced that there is NOTHING EQUAL to EAGAR'S CREAM, and consider it the BEST and CHEAPEST at any price, on account of it effecting its cures promptly and unflinchingly, its pleasant taste and agreeing with the most delicate stomachs.

If you cannot procure Eggar's Cod Liver Oil Cream from the shops at which you deal, send to Mr. Eggar, 147 1/2 St. John Street, Halifax, enclosing the price, and he will forward to your address. Mr. Eggar will send six bottles to any part of Nova Scotia, free of all Express Charges, on receipt of price. Don't allow others to induce you to take other preparations on which they may make a large profit, but insist in getting EAGAR'S PHOSPHOLEINE or CREAM.

Single Bottles, 75 Cents; \$8.00 per Dozen. Discount from above Prices to the Trade.

DIOCESAN SEMINARY FOR YOUNG LADIES.

PATRON. The Most Reverend the Metropolitan.

VISITOR. The Right Rev. the Lord Bishop of Nova Scotia.

PRINCIPAL. The Rev. John Padfield

The next Term commences April 21. The course of instruction is the same as that of the best Schools in England, and is founded upon the University Examinations for Women. Pupils are prepared to pass the Local Examinations of King's College, Windsor. Within the last two years, thirteen pupils have passed these Examinations, three of them gaining the title of "Associate of Arts."

A few students can be received, who, having finished their general education, wish to devote themselves to Music, Languages, or Art. Arrangements are made whereby they can give the whole of their time to these special subjects.

There is a Preparatory Department for Young Pupils. The Musical Department is under the care of a lady from the Royal Academy of Music, London. The French Government is a native of Paris and has the Diploma of the French Academy. The Head English Governess, besides having passed the University of Cambridge Examinations for Women, has also a certificate from the South Kensington School of Art.

A large reduction is made for the daughters of clergymen, and where two or more are sent at the same time from one family.

For Terms, &c., apply to the Principal.
