# Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGETABLE KINGDOM. It restores GRAY HAIR TO ITS ORIGINAL YOUTHFUL COLOR. It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a HAIR DRESSING. It is the cheapest preparation ever offered to the pubnew scientific discovery, combining preparation ever offered to the public, as one bottle will accomplish more and last longer than three

by our Sicilian Hair Renewer have induced many to manufacture preparations for the Hair, under various names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners, or had some connection with our Mr. Hall, and their preparation was similar to ours. Do not be deceived by them. Purchase the original: it has never yet been original: it has never yet been equalled. Our Treatise on the Hair, with certificates, sent free by mail. See that each bottle has our private Revenue Stamp over the top of the bottle. All others are imitations.

FOR THE

This most agreeable and refreshing of all perfumes, contains in its highest degree of excellence the aroma of flowers, in full natural freshness. As a sale and speedy relief from

Debility, Headache, Nervousness, Fainting Turns,

and the ordinary forms of Hysteria, it is unsurpassed. It is moreover, when diluted with water, the very best dentifrice, imparting to the teeth that clear pearly appearance, which all Ladies so much admire. As a remedy for foul or bad breath, it is when diluted, most excellent, neutralizing all impure matter around the teach and gums, and gums and making the latter hard, and of a beautiful color. With the very elite of fashion it has, for a quarter of a century, maintained its ascendency over all other Perfomes, throughout the West Indier, Mexico, Central and South America, &c., &c.; and we confidently recommend it as an article which, for soft delicacy of flavor, richness of bequet, and

SUGAR-COATED PILLS

Purely Vegetable.

The need of a safe and perfectly reliable purgative medicine has long been felt by the public, and it is a source of great satisfaction to us that we can, with confidence, recommend our BRISTOL'S SUGAR-COATED PILLS, as combining all the essentials of a safe, thorough and agreeable family cathartic. They are prepared from the very finest quality of medicinal roots, herbs, and plants, the active princi-ples or parts that contain the medicinal value being chemically separated from the inert and useless fibrous portions that contain no virtue whatever. Among those medicinal agents we may name PODOPHYLLIN, which has proved to possess a most wonderful power over the Liver, and all the billious secretions. This, in combination with LEPTANDRIN and other highly valuable vegetable extracts and drugs, constitutes a purgative Pill that is greatly superior to any medicine of the kind heretofore offered to the public. BRISTOL'S VEGE.
TABLE SUGAR-COATED PILLS will be found a safe and speedy remedy in all such cases as

Headache, Jaundice, Bad Breath, Foul Stomach, Loss of Appetite,

Liver Complaint, Habitual Costiveness, Dyspepsia or Indigestion, Heartburn and Flatulency, Dropsy of Limbs or Body, Female Irregularities, And all diseases of the Stomack,

Liver, Bowels and Kidneys. In diseases which have their origin in the blood BRISTOL'S SARSAPARILLA—that best of blood purifiers - should be used with the Pills; the two medicines being prepared expressly to act in harmony together. When this is done faithfully, we have no hesitation in saying that great relief, and in most cases a cure, can be guaranteed when the patient is not already beyond human help.

For general directions and table of doses, see the wrapper around each phisl.
