The cheapest Insurance Company in this city is undoubtedly THE WITUAL INSURANCE COM-PANY. The rates of insurance are generally half ess than those of other Companies with all desirable security to parties insured. The sole object of this Company is to bring down the cost of insurance on properties to the lowest rate possible for the whole interest of the community. The citizens should therefore encourage liberally this flourishing Com-

BRISTOL'S SARSAPARILLA

IB prepared in the most scientific manner, by thoroughly educated Ohemists and Druggists, who have had many years experience. It is not a simple extract from one article, but is compounded of extracts from a number of Roots, Herbs, Barks, and Leaves, all of which are possessed of some particular wirtue or power in curing the diseases that have their source in the blood and humors; and these different vegetable extracts are combined in such a way as to retain, in its full strength, the special curative virtue posseesed by each. The root of the Sarsaparilla plant found in Honduras, is that which we use in this pra-paration; it is the kind which all medical men essem most. About fifty per cent. parilla consists of this concentrated extract, the remainder, as above stated, being composed of extracts from other powerful, cleansing and healing vegetable substances. It does not contain anything that is dangerous, or injurious to health, and in this, as in nearly every other respect, is entirely different from all other preparations sold under the name of Baraspa la.

By having our own agents at the places where the various roots, drugs, berbs and plants, composing our medicines, are produced, we are enabled to exercise that constant care in selection which insures uniformity of excellence; and we spare no money and no effort to secure the best-and only the best-of every article entering into their composition; and it is with the most abiding confidence we say, to the sick of all nations and all countries, that in Bristol's Sersaparilla you have a remedy more reliable than any before offered you, and which will not disappoint you in the cure of

Balt Rheum, Tetter, Scald Head, Syphilis, or Venereal Disease. Nervous and General Debility, Old Sores, Ulcers, Tumore. Absosses, Boils, Eruptions, Scrofula, or King's Evil, Female Derangements, White Swellings, Fever and Ague, Chills and Fever, And Dumb Ague.

As a means of building up the constitution that has been broken down by the excessive use of Mercury, Iron, or other Minerals, our Sarsaparilla will be found excellent, and can be administered with majety to the weakest patients. As a purifier of the blood and humors, in the Spring and early Summer, it will be found unfailing. It can be taken freely at all seasons, rainy or dry. For some of the above diseases the use of the Barsaparilla must be continued. a considerable time, especially for those that are hereditary or constitutional in their nature—such as Berofula; but a faithful compliance with the directions will always relieve and mitigate, and in a great majority of cases will effect a complete cure. It will also be found, in all of the above diseases, that a cure will be greatly bastened by using our Bristol's Engar-coated Pills, in moderate doses, in connection with the Sariaparilla; they carry off large quantities of morbific or diseased matter set free in the system by the Sarsaparilla, and in this way facilitate the rearn of hormal functional operations.
For sale at all the principal Drug Stores.

XAVIER CUSTON,

Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGETABLE KINCDOM. It restores CRAY HAIR TO ITS ORICINAL YOUTHFUL COLOR. It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very ayed persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and in transported as a HAIR.

A TOILET NECESSITY.

THE surpassing aromatic excellence of Murray & Lanman's Florida Water has caused its qualities as a cosmetic to be partially overlooked. It is not only the most refreshing and delightful of perfumes, but, as a superficial application for the removal of blemishes on the skip, it is unsurpassed. In all cases of annoying eruptions, freckles, tan, and sunburn, caused by exposure to the sun or air, this soothing, softening toilet-water will be found exceedingly useful, imparting to the complexion

CLEARNESS AND SOFTNESS.

and entirely removing that sallow, greasy appearance of the skin, so disagreeable to refind and elegant taste. Except for the removal of pimples, the Florida Water should always be diluted before using. For the extirpation of pimples, the application should be made full strength, seven or eight times a day, taking care to touch the pimples only and not the surrounding skin. These directions carefully followed, will in a short time remove every disagreeable blemish. The hygienic properties of

MURBAY & LANMAN'S FLORIDA WATER

are a marked and distinctive feature of this fragrant Perfume. Its wonderful power in relieving all forms of nervous headache, fainting turns, ordinary bysteria, and its healthful disinfectant properties in the sick-room, mark it as peculiarly adapted to all the requirements of the bondoir, the dressing room, and for general family purposes. As a perfume, it is scarcely necessary for us to speak of its many virtues. Thirty years of public trial have established the fact that for its freshness, its purity, its delicacy, and its unchangeableness, it remains

WITHOUT AN EQUAL.

No other toile!-water nor perfume resembles it, or can supply its place; and no one who once uses it can be induced to forego the continuation of the pleasure. Hence the amszing rapidity with which i's sales increase, even in the face of myraids of imi-tations and counterfeits, that unprincipled and dishonorable men in France and Germany flood the market with. The difference between them and the genuine Murray & Lanman's Florida Water, is simply the difference between great excellence and utter worthlessness. And the public are earnestly urged, when purchasing, always to ask for the Florida Water prepared by Lanman & Kemp, New York, who are the sole proprietors of the genuine article, and who will be glad to be advised of names of all dealers who try to impose upon their customers the false and fraudulent counterfeits.

For sale by all respectable Druggists, Perfumer, and Fancy Goods dealers.
