CANADA

Life Assurance Company.

This Institution having been

ESTABLISHED IN 1847,

Has long since surmounted all the dangers of the early years of Assurance Companies.

Its ample Capital and Funds,

And its management in the hands of persons of long experience of such business, afford

Perfect Security

to assurers. These features, as well as the Company's

MODERATE RATES,

render the Institution one whose advantages are not surpassed by any other, and explain the fact that it stands at the head of all the Life Companies in Canada.

Detailed Reports and Table Rates may be obtained at any of the Company's Offices or Agencies.

ÆTNA

Life Insurance Company

OF HARTFORD.

This Company did a larger amount of business in Canada in the year 1872 than any other Company reporting to the Dominion Government. See Government Returns.

Its Policies are all strictly non-forfeitable

thus doing justice to all, and compelling none to forfeit their payments through inability to continue paying

It furnishes Insurance on all just and equitable Plans.

Its Mutual Rates average lower than any purely Mutual Company.

Its Stock Rates average lower than any purely Stock Company, besides guaranteeing the amount of paid-up Policy which will be given on account of surrender of Stock Policies—done by no other Company in Canada. Its ten year term plan is peculiar to itself, allowing the insured to withdraw the whole of the reserve on account of his policy when he attains the age of seventy, if he desires to do so.

Its ratio of expense to income is far below the average.

It is prompt in payment of claims, careful in the selection of risks, and guards with the utmost jealousy the interests of its Policy-holders generally.

It is believed no Company doing business in the country has higher claims upon the public.
