The English "Catholic Times' Rome correspondent says the appointment of a permanent A postolic Delegate to Canada is " fait accompli, " 8 and that "the Prelate destined to fillthis post is Mgr. Diomede Falconio, O.F. M., Archbishop of Acerenza and Matera." As "O. F. M.," means Franciscan, this is another proof of how little 'Innominato" knew of the Pope's mind when he oracularly foretold that religions would henceforth have nothing to do with the governance of the Church.

Of all the bereavement which are possi ble to a home, the loss of a child is perhaps the most disappointing, and the hardest to bear. During the heated spell in the summer in New York City as many as a thou many as a thou-sand babies have died in a week. Of course, in a crowded city, with its unsani-tary districts, crowded city, with its unsani-tary districts, many of these deaths would have occurred any way. The fact remains that this tremendous mortality was to a great extent due to the lack of inherent resisting power in the victims. These babies when born had in their bodies the seeds of disease. The deadly heated term only shortened the period of their sufficings. If a woman wiskes her babies to be healthy and strong and able to resist the usuat ailments of childhood, she must take proper care of herself in a womanly way caring the period of gestation. A woman who suffers from weakness and disease of the organs distinctly feminine is unfitted for wifehood and motherhood. Dr. Pierce's a worite Prescription is a wonderful med-ichie for ailing women. It acts directly on the deiteate and important organs con-cerned. It makes them well and strong. It allays inflammation, heals ulceration, soothes pain, stops exhausting drains and gives rest and tone to the tortured nerves. Thousands of women have testified to its almost miractious merits. Many of them have permitted their names, addresses, cared in Dr. Pierce's Common Sense Med-ical Adviser. This great book used to sell all about the home-treatment of ordinary diseases. It contains too B pages, and over yoo illustrations. Several chapters are de-voted to the diseases of women.
