After a Fire

settlements are made by the records. After a disaster there is no agent around trying to bore you into taking a policy. Even the most anxious for business will not insure your house if it smells of smoke, and none insure the lives of sick men. The Insurance office is open for those who are well enough to get there and smart enough to get there in time.

Don't wait until you are sick to enquire for rates. Write now, stating age, to
