

## Questions

Indian Association of Alberta and addressed to the secretary of the Prime Minister, among others; a telegram from the principal secretary of the Prime Minister to the said president dated 7 October 1971 and a telegram in reply from the president to the principal secretary of the same date: and that the committee report its findings to the House as quickly as possible together with its recommendations on the steps that must be taken to repair the breakdown in communications between the government and the Indians of Alberta.

**Mr. Speaker:** Is there unanimous consent?

**Some hon. Members:** Agreed.

**Some hon. Members:** No.

**Mr. Speaker:** There is not. The hon. member for Comox-Alberni.

**Mr. Barnett:** Mr. Speaker, the hon. member for Athabasca has anticipated my motion. Inasmuch as there was not unanimous consent for his motion, I see little purpose in attempting to move mine.

## QUESTIONS ON THE ORDER PAPER

(Questions answered orally are indicated by an asterisk.)

## PUBLIC WORKS—ADDITION TO ANIMAL BREEDING BUILDING.

Question No. 1,674—**Mr. Paproski:**

1. Under contract No. CR-67-2789 awarded January 31, 1968 for an addition to Animal Breeding Bldg., how many extras and change orders were authorized by the government?

2. What was the amount and who gave the authorization?

3. What was the reason for the substitution, deletion or addition of the extras?

**Hon. Arthur Laing (Minister of Public Works):** 1. Thirty-eight.

2. Net addition to the contract authorized by the Department was \$15,020.89.

3. Twenty change orders resulted from unforeseen job conditions; nine change orders resulted from revised client requirements after contract award; one change order involved requirements to meet fire regulations; one change order was due to rock conditions not being as shown on documents resulting in additional excavation; five change orders resulted from changes in Department of Public Works requirements subsequent to contract award; one change order was to ensure the safety of employees and one change order was required to comply with Ontario Hydro safety codes.
