than last year, and in addition to the increased amount available on the basis of population, those Townships in which there are feeble schools and a sparse population have been specially considered in the apportionment.

Where Roman Catholic Separate Schools exist, the sum apportioned to the Municipality has been divided between the Public and Separate Schools therein, according to the average attendance of pupils at both classes of Schools during last year, as reported and certified by the Trustees.

The grants will be paid by the Hon. the Provincial Treasurer on the certificate of the Chief Superintendent. These certificates will be issued on or about 30th June, in favour of those Municipalities which have sent in duly audited school accounts and Inspectors' reports to this office.

I trust that the liberality of your Council will be increased, in proportion to the growing necessity and importance of providing for the sound and thorough education of all the youth of the land.

I am, Sir, your obedient servant,

E. RYERSON.
