who reached Istip, Veles and Uskup in rather an awkward position, for a week. The Germans say Russian atfurther advance of the allied army tacks in this region were repulsed, but would seriously threaten their flank. this admits the stopping of the Ger-In fact, unofficial reports state that the advance of the French, who are man offensive. The German forces, being closely followed by the British, has already caused the retirement of the Bulgars toward Strumitza. which crossed the Illoukust, north of the town of that name, withdrew in Strumitza Evacuated?

Strumitza has been evacuated by the Bulgars, according to unofficial advices from Athens, which state that the French losses were a commanding the French losses were a commanding the French losses were a commanding that Russian attacks in the lake dis-officer and 30 men killed and two officers and 250 men wounded. It is be- and that the Austrians have broken ved, however, that the report is pre- thru the Russian lines over a front mature.

mature. Another Athens despatch says that all the entente powers have united in a fresh demand that Greece make a definite decision at once as to whe-ther it will support the entente allies of about four kilometres (2 1-2 miles), west of Komanow. The German campaign in Courland is being interfered with by British and Russian submarines, which have stop-ne the courted in the entente allies a fresh demand that Greece make a the of the submarines of the Baltie or the central powers. Ex-Premier Venizelos is stated to have summoned all his supporters to Athens. The extreme clowners of the there. The extreme slowness of the Austro-Ger-man advance is reported to have inluenced Greek sentiment powerfully war, toward the allies.

The first desire of the Germans is Friedrich Karl. The first desire of the Germans is to open a route thru northeastorn Ser-bia and Bulgaria to Turkey, and this is on the eve of being accomplished. Alarmist Reports Unwarranted.

On the other hand, military writers ere do not believe that the position of Serbia is so desperate as has been painted. It is serious, of course, but they point out that the Serbians have many natural defensive positions in the mountains, in which they can hold cut for weeks; that, with the British, French and other members of the quadruple powers carrying out their determination to help Serbia by rushing reinforcements to Saloniki and ther points, the Bulgars will have an extremely warm reception, and that the Germans and Turks, being fully occupied elsewhere, will not be able
