

## I PROVIDED FOR OLD AGE

During the productive period of my life. Now I am old, my children are able to protect themselves. My policy has matured. My companion and myself now have the cash for our support the remainder of our days. It has been a **Savings Bank** for us, **Not an Expense**, besides twenty years' protection for nothing. **I did not have to Die to Win.** Husband, Father, Mother, Young Man, Young Woman, take a policy of Life Insurance as protection for your estate, those you love, and yourself in old age. Don't put it off until it is too late. **Delays are Dangerous.**
