LEW JEAN AND HARRY MAC WIN IN STRAIGHT HEATS

Lindsay Annual Ice Races Open on Fast Track, Tho Some-what Sloppy.

LINDSAY, Jan. 11.—(Special.)—The first day of Lindsay's annual ice racing meet was held to-day. The attendance was fair and track fast, also a little sloppy, but the time will show that the racing was very keen and well-contested. Frank Smith of Buffalo handled the bell and had splendid control of his fields. There were two races carded for the day—the 230-foot or pace and the 230-foot or pace—for which the club hung up purses of \$200 each.

The 230 class was called first, with four entries, but only three started—Lew Jean, in Jimmy Powell's string; Jennie Hall, in A. Collins' colors, a free-legged racer, and Percy H., owned by G. Kearns. With very little delay they were away to a splendid start. The race was a close one, reaching the quarter pole the line came off one of Collins' wheels and he raced the mile with the wheel adding all the way. This accounts for the slow time of the first mile—2:34. In the second heat they got away, but Lew Jean was a fast clip. They went to the quarter in 32 seconds, the half in 1:04, the mile in 2:24. The third and final mile was won by Lew Jean, in the fastest mile of the race—2:24. This is the second time this pair of pacers have hooked up together this season so far.

The second race had four starters—two wheelers and two trotters—and the finish of the first heat was a sight to see, all four finishing that close they could have been covered with a blanket. Harry Mac won the heat, Ned Wilkes second, Lady Brant third and Harry Direct fourth. Time 2:24. The third and final heat was won by Harry Mac, with Ned Wilkes second, Harry Direct third and Lady Brant fourth. Time 2:24.
