12 King Street East,

Handsome Edifice Will Be Built of Indiana Lime Stone, Tennessee Marble, American Black Walnut, and Will Have Large Waiting-rooms,

Rave Large Waiting-fourns, with INUFSCFY, LIC.

Stating from the ground floor on St. Antoine-street level, there will be sufficed as a small army of workmen at present engaged on the interior work of the new U.P.K. Windsor-street on the new U.P.K. Windsor-street on the new U.P.K. Windsor-street scation at Montreat. With the exception of one or two offices, it is onically stated that the entire staff will not be housed in the new building until about the first of November. For the past week or two preparations have been going on for making a start on the task of joining the old building with the new.

Starting from the ground floor on St. Antoine-street level, there will be compared to the company paid as followed as a street of should which will be company paid as followed the company pai

St. Antoine-street level, there will be quite an array of shops, which will be the transforming of St. Antoine-street into a very busy and important business centre. On Windsor-street the Rank of Mourtan will take men

acts centre. On Windsor-street the Bank of Montreal will take up a portion of the windows and the remainder will be shops again.

The huge stone-fronted entrance on the corner of Windsor and St. Antoinestreets is the south main entrance, streets is the south main entrance, agreet advantage to passon portions of Sheep-Light ewes, heavy, from \$2.50 to \$7.50. streets is the south main entrance, and will be a great advantage to passengers from the southern portions of the city, as they will not have to climb the steep gradient of Windsorstreet as at the present moment. The entrance to the station here will contain a monumental vestibule forty feet square. The walls will be of Indiana limestone, and huge columns will add to the attractiveness of the entrance. The ceiling will be elaborate and vaulted.

Calves—Good, \$3.25 to \$3.75; common, from \$6.50 to \$7.50.

Sheep—Light ewes, from \$4.76 to \$5.25; heavy, from \$3.50 to \$4.50 to \$4.50; to \$4.50 to \$4.50; to \$6.25; heavy, from \$4.76 to \$5.25; heavy, from \$4.76 to \$5.25; heavy, from \$6.50 to \$7.50.

Sheep—Light ewes, from \$4.76 to \$5.25; heavy, from \$6.50 to \$4.75; bucks, from \$4.50 to \$4.50; to \$4.50 to \$4.50 to \$4.50; common, \$5.50 to \$4.50; common, \$6.50 to \$7.50; common, \$6.50 to \$7.50;

of the front vestibule will be of Tennessee marble, continued into the Bank of Montreal. Opening from the concourse is the general waiting-room, which will be 58 feet by 132 feet, with walls and pilasters of marble and ornamental coffered ceiling. Connecting with the general waiting-room will be a beautiful ladies, waiting-room, which is 35 feet by 60 feet and has paneled plaster walls, with marble doorways and vaulted ceiling. Another room leading off from this will be the ladies' waiting-room and the nursery.

**1 to \$4.55.*

Lambs—Spring, \$8 to \$8.65.*

**1.65 f.o.b.

Milkers—From \$40 to \$75 quoted.

**Stockers were offered at \$4.25.*

Salling continued slowif till long in the afternoon, with everything being pretty well cleaned up, except cows and scrubby commons among young cattle. The supply with the exception of calves, sheep and hogs, was good for an off-day market.

Taking the elevator and alighting two floors beyond the concourse level the principal offices will be reached on this floor the office of Sir Thomas Shaughnessy, the president of the winds of the wing running along Windsor-street and St. Antoine-street, and the corridor running thru this section will be fineed with marble. The president's office will be situated directly above the entrance abutting St. Antoine-street, and will be dinshed in American black walnut. Outside this room there will be a waiting St. Antoine-street, and leading from Sir Thomas Shaughnessy's private office the board room, and the notices of the executive staff will be in black walnut and paneled from floor to ceiling. It will be corniced and plastered, with an ornamental ceiling. The offices of the executive staff will be in black walnut and decorated walls. The general appearage of the president's office, the board room, and the offices of the executive staff will be in black walnut and decorated walls. The general appearage of the president's office, the board room, and the offices of the executive staff will be in black walnut and decorated walls. The general appearage of the president's office, the board room, and the offices of the executive staff will be in black walnut and decorated walls. The general appearage of the president's office, the board room, and the offices of the executive staff will be in black walnut and decorated walls. The general appearage of the president's office, the board room and the offices of the executive staff will be added to by the presence of open fireplaces, with carved walnut mantels.

Special accommodation has been laid out for immigration. A large waiting-room has been provided on the St. Antoine-street level in the rear of the

out for immigration. A large waiting-room has been provided on the St. Antoine-street level in the rear of the building, overlooking the courtyard.

GETS GOOD TREATMENT

Private James Gourlie is Satisfied at Niagara Camp Hospital.

Goundie at the Niagara Camp Hospital, Gourlie at the Niagara Camp Hospital, who had his eye injured at target practice some days ago, was prescribed by an authority on eye treatment from Toronto and was administered upon his advice.

For about a week the young man's For about a week the young man's parents have been complaining that who had his eye injured at target practice some days ago, was prescribed

parents have been complaining that their son was not receiving proper attention at Niagara, and Mrs. Gourlie claimed that she could not get an or-der permitting her to remove her son to Grace Hospital in Toronto. The hospital authorities wish to state that Private Gourlie's friends are at liberty to remove him to Grace Hospital if they wish, but it must be at their own expense. As to the cold water appli-cations to which Mrs. Gourfie referred, they were prescribed by the eye spe-

Dr. Philip of the hospital staff read Mrs. Gourlie's statement to her son, and asked him if he had any complaint. The young man replied that so far as he knew he was receiving proper attention and treatment.

Private Gourlie is a member of H Company, 12th York Rangers, and was wounded as the result of defective ammunition being supplied to the men for target practice.

The financial statements were adopted

without comment, and no changes were
