ERECTION OF MILL AT

Isbell, Plant and Company, commenting upon the report of George R. Rogers, president and manager of the Wasapika, published last week, say:

"Ever since we became connected with the Wasapika we have held out great hopes for its development. Mr. Rogers pithily describes the ore body as "one of the largest bodies of commercial gold ore in Canada," and knowing Mr. Rogers' penchant for conservatism, we feel that the above statement cannot be overestimated. ore body will become wider, the man- remain so.

Everyone Who Bought Canada's Victory Bonds Made Money

VERY one of the million and a half subscribers to Canada's Victory Bonds knows that he can sell them today for more than he paid for them.

Every one who bought Canada's Victory Bonds has received 5½ per cent interest per annum-paid twice a year.

Over half a million Canadians who bought Canada's Victory Bonds on the instalment plan saved money that they would not otherwise have saved

The guarantee back of Canada's Victory Bonds is the same as the guarantee back of a One Dollar or a Two Dollar bill. There is this difference, however, that you get interest on the Victory Bonds and you don't on the One or Two Dollar bill.

Canada's Victory Bonds will always be accepted as security for a loan.

Banks are ready to loan money on Canada's Victory Bonds.

Canada's Victory Bonds may be turned into cash at any time.

There is no other way in which you can invest your money with such absolute security--paying such a good rate of interest.

Canada will soon give her citizens an opportunity to buy Victory Bonds 1919. It will probably be the last chance to buy Canada's Victory Bonds on such favorable

> Prepare to buy as many Victory Bonds this time as you now wish you had been able to buy the last time.
