A Certain Wise Man

Questioned as to his favorite book, replied: "My bank book." Indeed, to the man who has saved persistently and systematically there can be no better reading than'the bank book, with its record of regular deposits.

We know that there are a great many who have never looked at a bank book of their own, but it is not too late to gain one. A deposit of one dollar at this bank starts an account and brings to you a pass book.

We welcome the small account.
