SCHOOL BOARD WRESTLE WITH MANY MATTERS
Supervisor Wilson Wants Annette Street School Again—Former C.P.R. Conductor Dead.

WEST TORONTO, March 23.—Practically the closing meeting of the West Toronto Public School Board held tonight was marked by the introduction of considerable personal feeling and the cleavage into two separate camps of the members of the board.

The trouble was precipitated by an amendment introduced by Trustee Wright, in which the latter sought to induce the other trustees not to ask the Toronto Board of Education to appoint Supervisor Wilson.

A few years ago Principal Wilson of Annette-street school was promoted from that position to one of supervisor, and was succeeded by Mr. Macdonald.

Annexation will dispense with the need of a supervisor, and Mr. Wilson on a question of privilege tonight was allowed to address the board.

Later this was agreed to. A few years ago Principal Wilson of Annette-street school was promoted from that position to one of supervisor, and was succeeded by Mr. Macdonald.

Annexation will dispense with the need of a supervisor, and Mr. Wilson on a question of privilege tonight was allowed to address the board.

Later this was agreed to. A few years ago Principal Wilson of Annette-street school was promoted from that position to one of supervisor, and was succeeded by Mr. Macdonald.

Annexation will dispense with the need of a supervisor, and Mr. Wilson on a question of privilege tonight was allowed to address the board.

STATEMENT OF A TRAVELLER

Is Sure Dodd's Kidney Pills Cured His Diabetes.

Geo. H. Watterworth of Rodney Falls Like a Boy Again After Suffering From the Most Deadly of Kidney Diseases.

RODNEY, Ont., March 23.—(Special.) Mr. Geo. H. Watterworth, a well-known travelling salesman, whose name is in this place, makes an unqualified statement that he was cured of Diabetes by Dodd's Kidney Pills.

"I was also troubled with Rheumatism and Headache, my sleep was broken and unrefreshing and I was always tired and nervous. But Dodd's Kidney Pills cured me, and now I feel just like I did when I was a boy."

Dodd's Kidney Pills cure Diabetes because it is a kidney disease and there is no form of kidney disease that Dodd's Kidney Pills will not cure. Mr. Watterworth's other ailments were caused by diseased kidneys failing to strain impurities out of the blood, and Dodd's Kidney Pills cured them by curing the sick kidneys.

In town and they were anxious to secure a charter. The special missionary prayer meeting will be held in the Eglinton Methodist Church on Wednesday evening at which James Acton, Toronto, will deliver an address.

Mr. Vansickie, who is conducting revival services at the Bedford Park Baptist Mission, will continue every Thursday, marking the consecration of Bishop-Elect Sweeney, holy communion services will be held at St. Clement's Church at 7 a.m.

Mr. Watterworth said he, "and the news of my appointment came as a thunderbolt. Now I have nothing ahead of me, and I wish now to make it clear that I am a candidate for the principality of Annette-street school."

"All I ask for," said the supervisor, continuing, "is simply cold justice, and the West Toronto School Board cannot do less than give me that."

Trustee Pullerton took a hand in the discussion. "If Mr. Wilson wanted this position why did he not make it clear at the right time," said he. "I will oppose his re-appointment to Annette-street school both here and before the city."

"I'm glad I know where Mr. Wilson stands," said Trustee Macdonald. "He never mentioned it to me, and I want to tell the board that I, too, am an applicant for the retention as principal of Annette-street school."

And there the matter rests for the present. Trustee Wright made a strong plea for the caretakers, and Mayor Baird, who is also solicitor for the school board, inserted a clause to be incorporated in the city bill, enjoining the retention of the caretakers.

A number of other matters more or less important were under discussion. Railway circles and the city generally heard with interest the report of the death of the Western Hospital of John Thompson of Charles-street in this city.

Mr. Thompson was for many years in the employ of the C.P.R. as conductor, running out of the local yards, and was peculiarly popular. His death resulted from appendicitis after a very brief illness. Deceased was 50 years of age and is survived by a widow. He was born at Port Credit and after retiring from the position of conductor has conducted a grocery store here. The funeral will take place at 2:30 on Thursday from the family residence, 5 Charles-street, and will be officiated by the Rev. Stanley Lodge, A. P. C. M.

Mrs. Berry, 18 Quebec-avenue, had a miraculous escape from death this morning while walking along the C.P.R. tracks about 100 yards west of the station. Mrs. Berry was on her way to meet a friend at the station, when she was struck by the express from London, which was just pulling in. She was removed to her home, where she is recovering from her wounds and bruises she is not severely injured.

RICHMOND HILL. Newsy Notes From the Village on the Hill.

RICHMOND HILL, March 23.—A very interesting tea and literary (Irish) entertainment was held in the school room of the Methodist Church last night, under the auspices of the Epworth League. Dr. H. J. Sanderson occupied the chair.

Jacob S. Hesse of this place passed away at Monday evening, in his 80th year. The funeral took place today. A short service was held at the home and interment and church service was at Hesse's Hill.
