

SHE COULD NOT EAT.

The Statement of a Lady Who Was a Dyspeptic.

Attacked with Pains in the Stomach, Nausea and Vomiting—Constipation, Headaches and Other Distressing Symptoms Followed.

From Le Soleil, Sorel, Que.
Dyspepsia and kindred disorders of the digestive organs are becoming alarmingly prevalent among the people of all classes, and it is safe to say that there are few who are not afflicted with some of the real misery that indigestion, it is said that happiness and a good digestion go hand in hand, and the statement contains more truth than has been generally admitted. It may be safely said, therefore, that the medicine that will cure dyspepsia is a blessing to mankind, a promoter of human happiness, whose good work cannot be too widely known. A recent issue of the *Le Soleil* of Sorel, Que., and it is because of this that I give the following statement, in a recent issue of *Le Soleil*: "For some time past," she said, "I had been suffering from a malady that at first I could not define, but which proved to be a severe attack of dyspepsia. After each meal I felt a sensation of over fullness, even when I had eaten most sparingly. This feeling was accompanied by severe pains in the region of the stomach, and frequently by nausea, and sometimes by vomiting. Constipation followed, and I suffered from it for several days. At times the pain was so severe that I was unable to get up. My appetite was lost, and I had no taste for anything and at this time, I was unable to eat. I was very weak, and my health was rapidly declining. I was very anxious to get well, and I had heard of the *Le Soleil*, and I had read of the good work of the *Le Soleil*, and I had decided to try it. I took a couple of Dr. Williams' Pink Pills, and after each meal I felt a little better. I continued the use of the pills for a little more than a month, and have pleasure in stating that my condition is completely cured. At my age (60 years) one greatly appreciates being able to enjoy one's meals, and I bless the day I decided to try Dr. Williams' Pink Pills, and I heartily recommend them to all sufferers." Dr. Williams' Pink Pills for Pale People, cure dyspepsia, neuralgia, locomotor ataxia, St. Vitus' dance, nervous headache, rheumatism, indigestion, constipation, and prostration, diseases of the bladder, such as sciatica, chronic cystitis, and restoration of health. The pills are sold in all the drug stores, and are also sold by mail, at \$2.00 per box, or six boxes for \$10.00. There is no other pill, colored pink, against which the pills are so widely known. The genuine pills are put up in boxes, the genuine pills are which bears the trade mark, "Dr. Williams' Pink Pills for Pale People." Take nothing else.

TO WALK ON WATER.

Robert Cook of Boston Says He Can Walk 400 Miles in 14 Days.
Pittsburg, June 18.—Robert Cook of Boston is in Pittsburg arranging to perform the remarkable feat of walking from Pittsburg to Cincinnati on water, a distance of 400 miles. Cook is the inventor of a pair of water shoes. He says that with the use of them he can make as good time as a man walking along an asphalt street. While in Chicago a few days ago, this was questioned. Cook offered to wager \$1000 that he would walk a distance of 400 miles in 14 days and do it easily. This was quickly taken by John Lepold, and the money is now in the hands of a responsible stakeholder. The start will be made on Sept. 1, at noon. After completing his arrangements, Cook will go into training on Lake Pontchartrain, La.

The Hamilton Steamer.

Today the Hamilton Steamboat Company intend placing the magnificent steamer *Modjeska* on the Toronto-Hamilton route. This will greatly facilitate passenger traffic, as from now on the *Modjeska* and *Mayana* will make four trips daily. The *Modjeska*, which is one of the finest boats on the lake, has been thoroughly overhauled, with a view to the comfort of her passengers, and no detail which would improve her in this respect has been overlooked. For the Jubilee trips special arrangements have been made, and every accommodation provided for large numbers of passengers, who, it is expected, will spend the holiday in a trip to the Ambitious City. Special rates have been arranged for by the company, and special Jubilee attractions of every sort have been provided by the city of Hamilton. There can be no more pleasant or suitable manner of spending the Jubilee holiday than in taking a trip to Hamilton, and the steamboat company has realized this.

Sarsaparilla Sense.

Any sarsaparilla is sarsaparilla. True. So any tea is tea. So any flour is flour. But grades differ. You want the best. It's so with sarsaparilla. There are grades. You want the best. If you understood sarsaparilla as well as you do tea and flour it would be easy to determine. But you don't. How should you? When you are going to buy a commodity whose value you don't know, you pick out an old established house to trade with, and trust their experience and reputation. Do so when buying sarsaparilla. Ayer's Sarsaparilla has been on the market 30 years. Your grandfather used Ayer's. It is a reputable medicine. There are many Sarsaparillas—but only one Ayer's. It cures.

Display at Oak Hall.
Oak Hall Clothiers intend to decorate the front of their store with flags and bunting. Their window display of men's and boys' clothing this week is particularly fine and comprehensive. It is given to summer-weight suits and coats and vests. On Monday the store will be open until 9.30 p.m. and closed all day Tuesday for their courteous staff to take part in the Jubilee celebration.

Shortness of Breath.
"Since last year I have had serious heart trouble caused by malaria. Shortness of breath, smothering spells on retiring, violent palpitation, etc., were large elements for my distress. On procuring Milburn's Heart and Nerve Pills I found to my surprise and delight that they gave me almost instant relief. I got healthy, restful sleep, my heart troubles disappeared, and I now feel very well and strong indeed." Mr. Hugh G. Oakes, Toronto, makes this statement for the public good.
