### **WESTERN SENIORS** DRAW UP SCHEDULE

Kitchener Opens at Hamilton - Not Ready Here -Hockey Gossip.

A London despatch says: Delegates representing Preston, Kitchener, Hamilton, Sarnia and London, Group No. 2, senior O.H.A., teams, met at the Tecumseh House this afternoon, and, after six hours' deliberation, finally adopted a double-schedule of games, opening the season on Dec. 28 and closing on Feb. 23. The difficulty encountered in the drafting of the schedule was the unsatisfactory allotment of dates that teams, except Kitchener and Preston Clubs, were held down to by their respective rinks. The London Military Hockey Club could secure only Saturday dates; Hamilton had preference for Friday dates, while Sarnia called for Thursday and Saturday dates, Kitchener and Preston had Monday, Wednesday and Friday nights open. In addition to these conditions, the local club was reluctant at accepting dates as early as Jan. 5, and as a result a lot of strenuous arrangements confront the various teams.

The delegates were: Kitchener, P. S. Pearce: Hamilton, Frank Robbins: Preston. Alvin Schlegel; London Military Club, Q.M. Sgt. D. L. Story, and Sarnia, S. Whittaker (convenor).

Crescents trotted out a big squad for their practice last night. Bud McLean made his first appearance. Glen Smith, the former Riverside player, was another out, Green, a mute from the north country, showed a lot of ability. Collett, Crooks, H. Smith, Cecil Hall, Farlow and Boyle were a few of the others out.

A very successful meeting of the Orient Club was held last week, and to judge from the enthusiasm shown the outlook for the coming season seems very promising. R. R. Armstrong and W. F. Stewart were elected president and tary-treasurer respectively, while W. J. Stanton was elected captain and given full charge of the team while on the ide. Any out-of-town teams who wish to arrange games with a fast intermediate team would please us ty writing W. F. Stewart at 323 Brock avenue.

Bill Marsden had a hard job finding room to drop the puck on the ice when his Aura Lee candidates flocked out. Taylor, formerly of Collingwood, is a good looking boy. Louie Hudson woke the kids up with his dazzling rushes. A few of the others out were: Hagarth, Cubitt, Applegath, Goldring, Munro, Grass, Solomon, Taylor.

#### SENIORS DECIDE ON CHOICE DATES

The local senior O.H.A. clubs got to-gether last night and drafted a schedule for the season. The proc have many

for the season. The pros have many home games during the season and the dates available were not just what everybody would want. The junior clubs were good drawing cards last season, but when the seniors got thru with the dates last night there was very little left for the youngsters.

The Arena management were far from satisfied with the schedule drafted and stated that some shifts would have to be made. This has not been done as yet, and one of the officers of a senior outfit takes the stand that the draft should not be intentered with. The clubs gave the following out as the official schedule, but the Arena people are not satisfied and the O.H.A. has not yet put their official O.K. on the draft.

The schedule is:

Senior O. H. A. Group No. 1

January 8—Queens at Crescents.

January 12—Crescents at St. Patricks.

January 15—Dents at St. Patricks.

January 15—Dents at Crescents.

January 19—St. Patricks at Crescents (afternoon).

January 2—Queens at St. Patricks.

February 19 Crescents at Dents.

It is the intention of the inland sailors not only to do their bit for the war on land, but to "pipe all hands for action" on inland or salt seas, with their yachts, if such be demanded by the federal government, and to that end the annual regattes will give way to the war problems and the "pink teas" to serious discussion of war tactics on both land and sea.

The war talk was introduced by President-elect Edward Rising, who outlined a plan whereby a real service to the government could be rendered by the members of the association, by having sea manoeuvres instead of the regattas, and, if not demanded for war service, that the regattas could be observed as usual,

"We are at war," he told his fellow-tars, "and must appreciate that we can be of great aid to our country by preparing now for what may be a hurry call to actual duty.

"I would suggest, therefore, that we have our 75 available yachts conduct a

series of war and sea manoeuvres, using the flagship of the squadron for a base of sea evolutions, as laid down by the United States navy in times of war, and in this manner we will become proficient in the actual war game and sea fighting
