COURT OF INQUIRY ON CORK PRISONERS

dent, is expected here to testify for Hennessy. Evidence was given tending to contradict the government's accusation that Murphy had in his possession a live bomb when he was arrested on July 15, but the lawyer for the defence said that he had no had sufficient time to secure witnesses to contravert the additional charge that Murphy also had in his possession seditious documents. The elder Murphy, however, denied that his son had any such documents when searched by the military.

The inquiry was adjourned after a two hours' sitting to await the arrival in Cork of various witnesses. Callaghan O'Herlihy, a student, testi'fied in behalf of Hennessy, but a promised affidavit from another stuwas not available, as he refused to go on with it when he learned that Barry

On behalf of Murphy, his father testifled that the bomb in question had been given to his son at the Aghada airdrome, and that he had brought it

Frank Merritt, a demobilized British A bomb introduced by the courtmartial prosecutor as the one found in Murphy's possession was declared by both Merritt and the elder Murphy not to be the souvenir bomb given to Joseph by Merritt and taken by the military in the raid on the Murphy house.

TWO PREMIERS IN AGREEMENT

"The liberty and independence of Poland guaranteed against all aggression along its ethnographic frontiers is also the aim of both governments. They are convinced that the noble Polish nation in the peace terms which it will offer the soviets, will display in victory as much moderation and respect for a nation's independence as it has shown resolution and courage in defending its liberty."

Assistant the ukrain-ian soviet government. The report that M. The miners argue that enough profits were being made by the owners, but official figures show that in the quarter ending last June only five areas showed any profit and the solution, and ceneral Novitsky activation, and General Novitsky activation.

The document then says that the premiers are happy to note that their political views regarding Turkey are quite in accord, but thinks that the most important problems remaining to be solved are the Russian and Adriatic questions, and continues:
