Both are near him now. His wife sits beside him, his son is prosecuting him. The scar on the judge's forehead tells the tale of the secret duel of bygone years.

Comes recognition, pleadings with the political boss and a touch of pathos, a heart-felt bit of sentiment—delicate, appealing, and a happy ending through a veil of tears.

The Braves have been a big disappointment to their many supporters. After a gruelling race they forged ahead, only to fall into one of the worst slumps of the season after reaching their goal. They are handicapped by injuries, two of their pitchers being on the sick list and "Rabbit" Maranville hardly able to see a hall. One of the pitchers. Barnes. White Sox Shoved Down.

Chicago, Sept. 10—Errors by Eddie Collins and Jack Ness, cost Chicago see, has his wrist broken and "Rabbit" was struck in the face with a ball and his nose was broken. Allen, who did good work this year, is suffering from fever.

The Phillies are still considered by many as a sure bet owing to the great work of Alexander, who is one of the best pitchers in the majors, and also on account of the good work of Rixey, Demarce and Mayer.

During the last few days the Glants were ousted from the first division by the Pirates, but present indications are that they will soon be back in the select quartette.

Cincinnati is still in the cellar despite the playing of the team, which is better than it has been all season. They will not win any pennants, but under Matty's guidance they may be instrumental in stopping other aspirants.
