Soft Skin All Winter
Does your skin chap or roughen easily
in the winter, or become unattractively
bloated? Let me tell you a quick, easy
way to keep your complexion beautiful
all winter. The secret is in using a
cream of ordinary mercuric wax at the
end of the day. The wax is so soft and
smooth that it melts on the skin, and
retains the skin's natural moisture. It
keeps the skin soft and supple, and
prevents the skin from becoming dry
and chapped. It is the best remedy for
winter skin troubles. It is the best

Weak Scrawny Folks
An Easy Way to Gain 10 to 30 Pounds
Of Solid, Healthy Permanent Flesh.
Thin, nervous, undeveloped men and
women everywhere are heard to say, "I
can't understand why I do not get fat."
The reason is just this: You cannot
eat fat, no matter how much you eat,
unless your digestive organs assimilate
the fat-making elements of your food
instead of passing them out through
the body as waste.
What is needed is a means of gently
urging the assimilative functions of the
stomach and intestines to absorb the
fats and build them up in the blood,
where they may reach the starved,
shrunken, run-down tissues and build
up the body in a sturdy, healthy way.
It is like a dry sponge—eager and hungry
for the fatty materials of which it is
deprived by the failure of the diges-
tive organs in recent years. Take a
little Sargol tablet with every meal,
and you will find that the body is
able to take them from the food.
A splendid way of working to over-
come this ailment is to take Sargol
in America in recent years. Take a
little Sargol tablet with every meal,
and you will find that the body is
able to take them from the food.
NOTE—Sargol is recommended only
as a flesh builder and while excellent
results in cases of nervous indigestion,
etc., have been reported, care should be
taken in using it unless a gain of
weight is desired.MRS. LYON'S
ACHES AND PAINS
Have All Gone Since Taking
Lydia E. Pinkham's Ve-
getable Compound.
Terro Hill, Pa.—"Kindly permit me
to give you my testimonial in favor of
Lydia E. Pinkham's Vegetable Com-
pound. When I first began taking it I
was suffering from female troubles for
some time and had almost all kinds of
aches—pains in lower
part of back and
in sides, and press-
ing down pains. I
could not sleep and
had no appetite. Since I have taken
Lydia E. Pinkham's Vegetable Com-
pound the aches and pains are all gone
and I feel like a new woman. I cannot
praise your medicine too highly."
Anonymous Letter, Terro Hill, Pa.It is true that nature and a woman's
work has produced the greatest remedy
for woman's ills that the world has
ever known. From the roots and
herbs of the field, Lydia E. Pinkham,
forty years ago, gave to womanhood
a remedy for their peculiar ills which
has proved more efficacious than any
other combination of drugs ever com-
pounded, and today Lydia E. Pinkham's
Vegetable Compound is recognized
from coast to coast as the standard
remedy for woman's ills.
In the Pinkham Laboratory at Lynn,
Mass., are files containing hundreds of
thousands of letters from women seek-
ing health—many of them openly state
over their own signatures that they have
regained their health by taking Lydia
E. Pinkham's Vegetable Compound; and
in no case does it fail to have saved them
from surgical operations.TOBACCO
