Total....\$8.00

The children who attend this class number forty-six, average attendance thirty. We would here acknowledge a donation of material from Mrs. J. S. Maclean; also from Mrs. Liddell. Mrs. E. Binney has sent garments to be given to the poor.

A Prayer Meeting is held every Tuesday afternoon in the Bible Women's room, and is conducted by Mrs. McLea. The majority of those attending it are children, but it has been considered best to continue it as profitable for them as well as their parents. Average attendance, 20 children and 3 women.

In November a small collection was made, from some who had been over-looked by collectors earlier in the year, for the Bible Women's fund—viz:

From Mrs. Shey.....	\$5.00
“ “ T. Brown... ..	2.00
“ “ Buie.....	1.00
“ “ Boak.....	.50

Total \$8.50

At the last meeting of the L. B. Association, Miss G. Lawson resigned her office as Treasurer, and Mrs. McLea was elected in her place. The ladies of the Association would here acknowledge with gratitude the valuable service Miss Lawson has rendered the committee during the time she has been their Treasurer, and sincerely regret that other business prevents her from continuing in office.

In conclusion we earnestly hope that hearts may be opened to give more largely to the Bible cause, remembering the admonition, “not to be weary in well doing” and the promise following it, that in due season we shall reap, *if we faint not.*
