

PIRATES AGAIN UP IN LEAGUE SEE-SAW

CARDS SHARE 2ND PLACE WITH CINCINNATI

Bush's String of 25 Scoreless Innings Broken by Fiske Homer

NEW YORK, Aug. 27.—The trim Buccoer craft was in the forefront again today in the mad race for honors in the National League race, with a four-point margin, the measure of league superiority most of this week.

Yesterday the St. Louis Cardinals were proud possessors of that measure of a half-game margin, but that was before the Phillies, hitherto considerably battered about by the rest of the league, suddenly came to life and edged out a 3 to 2 victory. When Cincinnati kept on its merry way by trimming Dazy Vance and Brooklyn, 3 to 1, the Cardinals found they had not only lost the leadership, but must share second place with Cincinnati.

PITTSBURG SLUGGING

The Pittsburgh nine, spurred to the attack by six hits by Paul Waner, slugging outfielder from the coast, slammed the offerings of four New York pitchers to win the start of a three-game series, 15 to 7.

Pitcher Wertz gave the Boston Braves their only run when he broke Guy Bush's string of 25 scoreless innings, with a fluke home run that hopped over centrefield fence.

The Philadelphia Athletics made game of Rookie Ballou, St. Louis acquisition from Washington, by winning two games from him, although he pitched but 3 2-3 of the 28 innings necessary to give the Athletics the double win. The first was decided 8 to 6 in 11 innings, and the second 4 to 3 in 12.

SENATORS TAKE TWO

The Senators likewise took two from Chicago, 9 to 3 and 1-0. Right in the heart of the fray were Washington's splendid old-timers, Walter Johnson and Stanley Coveleskie, and both pitched a winning game.

Cleveland and Boston ran into mud flats and had to call off their pastime, the only other engagement scheduled in the American during the day.

Toronto made it nine straight by taking the double-header from Newark, 3 to 2 and 3 to 1, and now leads the Baltimore Orioles by six games in the International League. The Syracuse Stars again proved a thorn in the birds' side by taking two games from the champions, 6 to 4 and 8 to 0.

Rochester defeated Jersey twice, and Buffalo defeated Jersey City.

AUSTRALIANS SCORE 386 RUNS IN INNINGS

CANTERBURY, Eng., Aug. 26.—The Australians scored 386 runs in their first innings against the County of Kent.

The Antipodean cricketers stayed in all day, the last man of the team only being disposed of a minute or two before time was called. Kent scored 221 in their first innings. The match will be concluded tomorrow.

Diamond Disputes Decided

ON INFIELD FLY WHAT ARE RIGHTS OF RUNNERS TO ADVANCE?

When umpire rules batted ball an infield fly with first and second or first, second and third occupied, with less than two out, the batsman is automatically retired.

Due to the fact that major leagues once differed on this rule, it is confusing to some.

The rights of runners to advance on an infield fly are the same as on any other fly ball that is caught or muffed.

If ball is caught, runners must return to their bases to escape being retired. If muffed, they can run at their peril.

There is no difference as to proper advancement of runners, between an infield or outfield fly.

THE GOLDEN STRAIN

By PETER B. KYNE
It is the story of a young army officer who was handicapped by a "yellow streak" and how he was enabled to overcome his weakness when the supreme test came.

One of the big dramatic climaxes is a thrilling battle scene in which the famous Tenth Cavalry clashes with several hundred Apache Indians on the warpath. Kenneth Harlan and Madge Bellamy have the leading roles with Hobart Bosworth, Ann Pennington and a notable cast in support. Much of the action takes place near Fort Huachuca, Arizona, where the notorious Geronimo once ran amuck.

"The Golden Strain" is the screen version of one of Kyne's best stories and adds another to Victor Schertzinger's list of photoplay triumphs.
