SAYS MOTHER KILLED BY 15- YEAR-OLD GIRL

Neighbor Tells Coroner Love
Affair With Ranch Man
the Cause.

Steamboat Springs, Colo., Feb. 1.—The story that the fifteen-year-old daughter of Frank Mudra killed her mother because the latter objected to her accepting the attentions of a ranch hand, buried the body in a refuse pile on an isolated ranch, fifteen miles from Oak Creek, and kept her act secret for three weeks was conveyed to the coroner's office here by a neighbor of the family.

Mudra, a miner, had been working in Oak Creek this winter, leaving his wife and children on the ranch. It is said the girl walked into Oak Creek from the ranch, after hours of toiling through the almost impassable mountain roads, saying her mother was sick. Her father accompanied her to the farm. Inquiry developed that Mrs. Mudra had not been seen for several weeks, and one of the smaller children finally told Mudra, the neighbor said, that the body was buried back of a stable.

The body was found with a bullet wound in the back. The girl, according to the story, then confessed that she shot her mother because of the latter's interference in her affair with the ranch hand.

COLLEGE WANTS \$150,000 THAT WILSON REFUSED

Institution Bearing the Same
Name as President Urges
Him to Give it Proceeds of
Manuscript.

Washington, Feb. 1.—The student body of Wilson College at Chambersburg, Pa., has petitioned President Wilson to accept a recent offer of \$150,000 from a publisher for a manuscript and give the money to the endowment fund of the college. The petition was in the form of a letter signed by 100 students of the college, which read:

"In the press recently you were reported as having rejected a publisher's offer of \$150,000 for a manuscript. The reason given for your refusal was that you would not capitalize your high office for personal gain.

"We, the students of Wilson College, Chambersburg, Pa., appreciating the scruples which guided you to decline, respectfully petition you to reconsider and to modify your decision in the name of a worthy educational cause. We ask you to accept the offer and to donate the sum to the Wilson College endowment fund.

"Wilson College, founded at Chambersburg, Pa., by Sarah Wilson, a devoted Christian, is the third oldest college for women in the United States. At the present time the faculty, undergraduates and friends of Wilson College are trying to raise a necessary endowment fund of \$500,000 to assure the future work of this institution. A substantial part of this proposed fund has been subscribed, but it still falls far short of the necessary amount.

"We believe that you, as a great educator and president, will see in this appeal an opportunity to advance the cause of education for women, to augment the Christian activities of the Presbyterian church and to engrave on the gratitude of coming generations of students the name of Wilson."

AUSTRALIA TO EDUCATE
CHILDREN OF SOLDIER DEAD

Melbourne, Jan. 17.—(Associated Press by Mail).—The Australian government has undertaken to educate the children of Australian soldiers killed or totally incapacitated in the world war. At least 12,000 children are expected to benefit.

The plan covers the whole range of the educational curriculum, in industrial, agricultural and professional courses, together, where necessary, with periods of apprenticeship and a subsidy by way of maintenance while undergoing such training. A fund of approximately \$2,000,000 is on hand, which includes a grant from the federal government of \$4,000,000 and a transfer of the Repatriation Trust Fund of approximately \$500,000. Large contributions are assured from other sources.

In the meantime, both sides are holding firm, according to members, and "much good is being done," according to Mr. McKee.

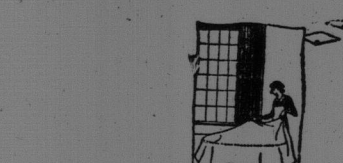

This is not a temporary movement on the part of the girls' said Mr. McKee. "They are earnest."

"So are we," retorted the boys.

BOYS GET COLD SHOULDER IF THEY USE TOBACCO

But They Retaliate and Put Ban on
Short Skirts, Pigtails, and
Corded Girls

Mattoon, Ill., Feb. 1.—Dan Cupid is finding his bows and arrows are thus far quite useless against the hearts of the girls of the West Side Christian church of this city who have formed a club not to keep company with boys who smoke cigarettes or use tobacco in any form.

The club is continuing to grow, according to its sponsor, Edward McKee, superintendent of that church, and though a marked decrease in the number of "matches" is noted, according to McKee, quite a few local boys have given up the bad habit.

Dan Cupid's second and hardest blow—the blow that sent him reeling—dangles the club in his teeth and he does not want to smelt the nasty smoke," they argued. The answer they say, is "No" and a new sign of the pledge is obtained.

It was at a meeting of the Christian Endeavor society a week ago that Mr. McKee urged the girls the sign pledges not to keep company with boys who "used the weed." Twenty-five pledges were signed immediately and during the past week the club grew in leaps and bounds. The Christian Endeavor Society girls now hope to induce every girl in town to join their ranks.

"Do you want to stand around while some boy is smoking a cigarette and walk up the street with him—dangles the silly thing in his teeth or do you want to smelt the nasty smoke?" they argued. The answer they say, is "No" and a new sign of the pledge is obtained.

It was then the boys decided something must be done. They missed seeing their sweethearts and a number of the male students at the high school formed a club, the members signing pledges as follows:

"I do solemnly affirm that I will not court a girl who persists in:

- "Wearing knee-length skirts.
- "Wearing low cut waists below the point where mother wore them when she was a girl.
- "Wearing silk stockings.
- "Using paint or rouge.
- "Attending dances minus her corset.
- "Pulling out her eyebrows or wearing her hair in such a style so as to hide her ears."

Mr. McKee looks upon the boys' organization as "merely a bluff club to frighten the girls out of their stand against tobacco."

"It would be a good thing, though," he added, "if something like that could be done. We need more girls today like our mothers."

In the meantime, both sides are holding firm, according to members, and "much good is being done," according to Mr. McKee.

This is not a temporary movement on the part of the girls' said Mr. McKee. "They are earnest."

"So are we," retorted the boys.

BUYS HOUSE AS SURPRISE TO PARENTS, BUT THEY REFUSE TO MOVE

Malden, Mass., Feb. 1.—A surprise planned by Hall Brackett for his parents, Mr. and Mrs. Walter Brackett of 829 A. Salter street, did not work out as pleasantly as he anticipated. Hall Brackett learned to his sorrow recently.

Hall, unknown to his folks, purchased a house in Reading to surprise his parents as he had orders to take it away from the present Brackett home to that town.

The elder Mr. Brackett received the surprise of his life when he returned home last night and saw most of his furniture piled in a truck outside his house. He ordered the truckman, Robert Kenton, to return the furniture, but Kenton said he had orders to take it away from the home. Sgt. Lenehan of the police department was finally appealed to and the story of the purchase of a Reading home by the son came to light. But the parents objected to going to Reading, so the furniture was returned to the Salter street home.

Hall Brackett today paid the moving bill, remarking that he is through giving surprises.

21ST ANNIVERSARY OF N. B. CHAPTER

The New Brunswick Chapter of the I. O. D. E. held its twenty-first annual meeting yesterday afternoon in the Germain street Baptist Institute, with the president, Mrs. Robert Fitzrandolph, in the chair. Mrs. G. K. McLeod, vice-president of the Municipal Chapter, extended a welcome to the provincial chapter, to which the president replied. Mrs. A. W. Adams, regent of the Municipal Chapter, sent a letter of regret, and Mrs. O. S. Crockett, vice-president of the provincial chapter, tendered her resignation on account of ill health.

Miss Jean Hodge, as treasurer, reported total receipts of \$3,288.10, of which \$1,806 had been contributions to the War Memorial and \$478.50 for the Navy League drive from Fredericton. Balance in the bank was \$108.88 and cash on hand \$18.89. The total amount sent to the War Memorial fund since the annual meeting had been \$3,940.26.

Mrs. Heber Vroom, read the educational report in the absence of Mrs. Foster, educational secretary. Mrs. E. Atherton Smith, provincial organizing secretary, in her report told of the conversion of the Y. W. P. A. to a chapter of the order, and the new chapter was welcomed by Mrs. Fitzrandolph. Mrs. Vroom read the report of the educational secretary. The war memorial was discussed and it was announced that Miss Belya of Newcastle had been chosen to receive the first bursary and had entered upon her four-year course at Acadia University. The matter of helping the blind was discussed. In dealing with the resolutions from the National Council the most important called for a campaign to educate the public to show greater respect to the National Anthem. The meeting placed itself on record as opposed to the showing of German films and it was decided to send a copy of the resolution to the film exchange managers and the board of censors. After the budget the meeting adjourned and the visiting delegates were entertained at the Clifton House by the St. John members.

A large and beautifully ornamented birthday cake was a special object of interest at the supper at the Clifton House. Twenty-one small flags decorated it and a larger flag stood high above them. The president, Mrs. Robert Fitzrandolph, cut the cake and it was found to be a very delicious article of food. Mrs. W. I. Fenton, presented greetings and Mrs. G. C. VanWart of Fredericton spoke in thanks.

At the evening session a vote of thanks was extended to the visiting delegates for their hospitality. In discussing the matter of having British films shown in New Brunswick it was pointed out that a woman had not been elected to the board of censors.

Miss Alice Fairweather, Mrs. George K. McLeod and Miss Edith Skinner, were appointed a committee to recommend to the provincial government that a woman be appointed to the board of censors. It was suggested by Lady Pope of the National Chapter that Thanksgiving Day be observed on Armistice Day and be known as Victory Day. Mrs. G. C. VanWart gave the history of the chapter. A vote of thanks was extended to Mrs. VanWart and Miss Valde Fenton sang two solos with Miss Edith McGarrity as accompanist.

THE CASE OF RICHARD CRANE.
To the Editor of The Times:
Sir,—I shall be pleased if you will have printed in your valuable paper the following facts re Richard Crane and the Seamen's Institute trouble with this man. I am sorry in the first place that Mr. Brindle should have stated that this man came from the Salvation Army's People's Palace. This is not correct. Richard Crane left the People's Palace, having signed on the S. S. Waimate. I shook hands with him and wished him Godspeed. His action after that I know nothing about.

The other part of Mr. Brindle's letter I do not question. I only know that in that part where Mr. Brindle refers to Mr. Crane and the Salvation Army it is quite incorrect and misleading. I have never refused Crane a bed, as he himself well knows.

Thanking you, I am,
Sincerely yours,

Commandant,
Superintendent, Men's Social Welfare

HEADACHES
Make Life Miserable

Headaches are one of the most aggravating troubles one can have, and it is hard to struggle along with a head that aches and pains all the time.

Headaches seem to be habitual with many people; some are seldom, if ever, free from them, suffering continually from the dull throbbing, the intense pains, sometimes in one part, sometimes in another, and then again over the whole head.

There is only one way to get relief from these persistent headaches, and that is by going direct to the seat of the trouble, for unless the cause is removed, the headaches will still continue to exist.

The fact that Burdock Blood Bitters keeps the stomach, liver and bowels toned up is proof enough to show that it will eliminate the cause of the headaches.

Mrs. Harold Leland, Owen Sound, Ont., writes:—"My system was run down and my blood out of order. I suffered a great deal from severe pains in my head, which made me feel very miserable. After having tried other remedies I purchased a bottle of Burdock Blood Bitters, and was very glad to notice a decided improvement in my health, so I took another and am glad to say that it has done me an enormous amount of good. I have recommended it to my friends, who were in a similar condition, and they all say it is a wonderful remedy."
