## TO YOUNG OR OLD

WHO HAVE LOST THE VIGOR OF YOUTH

### Dr. McLaughlin's Electric Belt

is an absolute remedy for Nervous Debility, Backache, Rheumatism, Stomach, Liver, Kidney and Bladder Troubles. It is arranged for women also. Be true to nature, be true to yourself and friends. Regain your health. Give the color of vigor to your cheeks, the sparkle to your eye. What use has the world for a man who has not the courage to face the battle of life? Such courage comes from a system greatly endowed with the vital force of electricity. Regain your vitality for good by using this wonderful Electric Belt.

Nature is the greatest doctor on earth. When she can't cure it is because she needs aid. Now, most people have an idea that this aid is drugs, and when they get sick and suffer from pain of any kind they proceed to dope their stomach with the stuff that is sold for medicine. That doesn't help any; in fact, it does a great deal of harm. The dope that you put into your stomach is poison and poisons the organs and nerves of your body. What Nature needs is electricity. When your stomach, kidneys, liver or digestive organs get out of order, it is because they lack the necessary electricity to make them perform their regular functions. The breaking down of one of these organs nearly always causes them, because your body hasn't enough electricity to do the work, so you must assist Nature by restoring this electricity where it is needed.

My Electric Belt does this while you sleep. It stimulates the nerves with its glowing power, and these conduct the force to every organ and tissue of your body, restoring health and giving strength to every part that is weak.

Electricity is a relief from the old system of drugging. It does by natural means what you expect drugs to do by unnatural means. It removes the cause of disease, and after the cause has been removed, Nature will do the rest.

**MR. THOS. JOHNSTON**, Box No. 233 Dorchester, Ont., says: "It is some five or six years since I got your Belt. It cured me, and I have not been bothered since, and have not used it since then."

**FREE TO YOU**—Get my 80-page book describing my Electric Belt, with illustrations of fully developed men and women, showing how it is applied. If you can't call, I'll send this book prepaid, free, if you will enclose this coupon.

Consolidation free. Office hours—9 a. m. to 6 p. m. Wednesday and Saturday till 8.30 p. m.

**DR. M. L. McLAUGHLIN**, 237 Yonge St., Toronto, Can. Please send me your book free.

### Election "Aftermath"

**PROMINENT POLITICIANS** Endorse NEAL Treatment **Drink Habit Cured in Three Days**

Ex-Senator Bruce says: "Substantially all Neals are high class business, professional and laboring men, who realize and know that constant or excessive indulgence most frequently ends in financial, moral and physical ruin, insanity and untimely death. The Neal Treatment appeals to the man who wants to quickly overcome nervousness, desire for liquor and all effects of excessive indulgence, because there is no publicity, strong drugs, dangerous hypodermic injections or bad after-effects, and no detention from business or work for several weeks."

"The success of the Neal three-day treatment has been demonstrated and proven in over 20,000 cases of drink and drug addiction, and its merits proved in 60 splendid Neal Institutes, established in principal cities in Canada and foreign countries."

The "secrets" of the Neal Three-Day treatment have been "revealed" to all of the thousands of physicians and all others who have investigated. The explanation is simple. Constant or excessive drinking causes the system to become saturated with the poison of alcohol. No man can or will stop drinking until this poison is eliminated. The Neal treatment easily and quickly eliminates this poison, removes the cause and overcomes all the effects of excessive indulgence.

Those interested in receiving full information, call, write, or phone the NEAL INSTITUTE, 46 Crown St., St. John, N. B. "Phone Main 1683.

### "SECRETS REVEALED"

**HOW NEAL CURES Drink Habit IN THREE DAYS**

When it was first publicly announced three years ago that Doctor B. E. Neal had originated a treatment that removed the cause and overcame all the effects of excessive use of liquor in three days, physicians and laymen alike declared, "It can't be done." In the face of opposition, skepticism and incredulity, the wonderful merits and remarkable results of the Neal treatment have been demonstrated in over 20,000 cases and proved in sixty splendid institutes established in principal cities in Canada and foreign countries.
