### RED RASH ON HANDS AND BODY

Itching and Burning Terrible. Cuticura Heals.

"I was troubled with eczema on my hands and body. It broke out in a red rash and later formed sore eruptions containing water. The itching and burning were terrible. My hands had to be bandaged, and my clothing aggravated the breaking out on my body. The trouble lasted about three months.

"A friend advised me to try Cuticura Soap and Ointment. I did and found they helped me, and after using two cakes of Cuticura Soap and two boxes of Ointment I was healed." (Signed) Mrs. Russell Hildebrand, Sand Point, Nova Scotia.

Cuticura Soap, Ointment and Tablets are all you need for every-day toilet and nursery purposes.

Caution: Beware of cheap imitations. Ask for Cuticura, and get the genuine. Sold every-where. The Ointment is in tins. Cuticura Soap is in boxes without soap.

### A Stubborn Cough Loosens Right Up

This home-made remedy is a wonder for quick results, easily and cheaply made.

Here is a home-made syrup which millions of people have found to be the most dependable means of breaking up stubborn coughs. It is cheap and simple, but very prompt in action. Under its healing, soothing influence, chest soreness goes, phlegm loosens, breathing becomes easier, tickling in throat stops and you get a good night's restful sleep. The usual throat and chest colds are conquered by it in 24 hours or less. Nothing better for bronchitis, hoarseness, croup, throat tickle, bronchial asthma or winter coughs.

To make this splendid cough syrup, pour 2 1/2 ounces of Pinex into a 16-oz. bottle and fill the bottle with plain granulated sugar syrup and shake thoroughly. If you prefer, use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, you get 16 ounces—a family supply of much better cough syrup than you could buy ready-made for \$2.50. Keeps perfectly and children love its pleasant taste.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, known the world over for its prompt healing effect upon the membranes.

To avoid disappointment, ask your druggist for "2 1/2 ounces of Pinex" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Toronto, Ont.

### IRISH FREE STATE EXPERIENCES CALM

Vatican Representative Negotiating—A Rebel Publicity Office Raided.

(Special Cable to the New York Times and Montreal Gazette.)

Dublin, March 21.—The Free State is passing through a period of calm and quiet, though individuals here and there are made victims of reprisals for executions, and the revolver, rifle and petrol tin are still ready weapons on private persons and property.

The criminal investigation department men continue operations, and here again have tracked down the republican publicity department, many men and women of which must now be in jail. They searched houses in North Great George street last night, and found the headquarters of that department in one, with a daily bulletin in course of printing. They seized everything and carried off fourteen women members of the Republican women's league, also a prominent male republican, the head of the publicity department.

Recent captured letters give an impression that the republican cause in America is in an unhealthy condition, and that those in charge do not constitute a happy family. Still de Valera, in a St. Patrick's Day message to the Irish race, said: "The Republic of Ireland, the shrine of the tradition of centuries and the symbol of the determination of our race to achieve our independence, still stands undefeated despite all our adversities."

Nothing has been heard of or from Miss McWiney for some time but her constituency of Cork seems breath high for peace. It is learned that proposals were put forward by Archbishop Hart and other clerical and lay men of prominence have been under consideration by the republican executive, and it is expected that a decision will be arrived at before the end of the present week, in southern Republican circles the feeling prevails that those proposals deserve acceptance. Significant is Deputy Doctor McCartan's motion, "that the Daily Record satisfaction over the development in the south in favor of peace, and expresses the opinion that the proposals made afford a fair basis of settlement." He intended to move today the resolution, but it was postponed till Friday, as, for the reasons he preferred not to state, he considered the present time inopportune for discussing it.

It will be remembered also that Monsignor Lusio is here from the Vatican. He has begun to prosecute the object of his mission. He left the Shelbourne Hotel today and will not return for some days, and obviously has gone to meet the cardinal, archbishops, and bishops to discuss the entire situation.

Building Collapses.

Quebec, March 24.—(Canadian Press.) The parish hall of Limoulin collapsed last night, the walls of the building burst out and the roof, upon which there was a quantity of snow, crashed into the body of the building. No one was injured. The loss is estimated at \$6,000.
