Blackwood's Magazine AND THE British Reviews.

L. SCOTT & CO., New York, continue to
publish the following leading British
Periodicals, viz:
I.—THE LONDON QUARTERLY (Conservative.)
II.—THE EDINBURGH REVIEW (Whig).
III.—THE NORTH BRITISH REVIEW (Free Church).
IV.—THE WESTMINSTER REVIEW (Liberal).
V.—BLACKWOOD'S EDINBURGH MAGAZINE (Tory).
The present critical state of European affairs
will render these publications unusually interest-
ing during the forthcoming year. They will oc-
cupy a middle ground between the hastily written
news-items, crude speculations, and dying rumors
of the daily Journal, and the ponderous tomes
of the future historian, written after the living in-
terest and excitement of the great political
events of the time shall have passed away. It is
for these Periodicals, read, as must look for the only
really intelligible and reliable history of current
events, and as such, in addition to their well-es-
tablished literary, scientific, and theological char-
acter, we urge them upon the consideration of the
reading public.

DR. LA MERT

ON SELF-PRESERVATION.
Price, with Engravings and Cases, 25 cents; by
post thirty cents.
SELF-PRESERVATION; a popular Essay on
Nervous and Physical Debility, resulting
from injurious habits contracted in youth, or ex-
cess in maturity, which, by prematurely ex-
hausting the functions of Manhood, destroy the hap-
piness of Married Life, or prevent the fulfilment
of engagement that constitute the most cherished
objects of existence.
By Dr. LA MERT, 37 Bedford square, London,
Licentiate of the Royal College of Physicians of
Edinburgh;
Member of the Royal College of Surgeons, Eng-
land, &c.
The above work contains most useful and in-
formation on the physiological changes
which occur in the Reproductive system during
the periods of youth, puberty, and manhood, and
on the due attainment of that degree of functional
vigour upon which the hopes of posterity depend.
It also points out how all the tributes of Man-
hood can be preserved to advance period of life,
how they are lost, and how they can be recovered.
It is free from the gross exaggerations, alarming
descriptions, and dangerous promises so generally
resorted to by persons, who, practicing with false
medical qualifications, induce most serious injuries,
and render judicious treatment frequently abortive.
The Author is the only legally-qualified prac-
titioner whose name stands on the Medical Register
(the sole test of medical qualifications), who has
been exclusively engaged for a series of years
in the treatment of the various functional disor-
ders of the nervous and reproductive system,
which, owing to the great discoveries of modern
science, are rendered subservient to a rational,
simple, and easy mode of treatment.
At home for consultation daily from ten till two,
and from six till eight, either personally or by
letter.—37 Bedford Square, London, Engd.

Patients residing in the colonies can be success-
fully treated by correspondence, and remedies can
be forwarded in secrecy and safety to any address.

TEETHING

MRS. WINSLOW
An experienced Nurse and Female Physician
presents to the attention of mothers, her
SOOTHING SYRUP,
FOR CHILDREN TEETHING,
which greatly facilitates the process of teething,
by softening the gum, reducing all inflamma-
tion—will allay all pain and spasmodic action, and
is

SURE TO REGULATE THE BOWELS.
Depend upon it, mothers, it will give rest to
yourself, and
RELIEF AND HEALTH TO YOUR INFANTS.
We have put up and sold this article for over
ten years and can say, in confidence and truth, of
it what we have never been able to of any other
medicines—never has it failed on a single instance
to effect a cure when timely used. Never did we
know an instance of dissatisfaction by any one who
used it. On the contrary, all are delighted with
its operations, and speak in terms of commenda-
tion of its magical effect and medicinal virtues. We
speak in this matter, what we do know, after
ten years experience, and lodge our reputation
for the fulfillment of what we here declare. In-
almost every instance where the infant is suffer-
ing from pain and exhaustion, relief will be found
in fifteen or twenty minutes after the syrup is ad-
ministered.
This valuable preparation is the prescription of
one of the most EXPERIENCED and SKILLED
FULL NURSES in New England, and has been
used with never failing success, in
THOUSANDS OF CASES.
It not only relieves the child from pain, but in-
vigorates the stomach and bowels, corrects acidity,
and gives tone and energy to the whole system.
It will almost instantly relieve
GRIEVING IN THE BOWELS AND WIND COLIC,
and overcome convulsions, which, if not speedily
remedied, end in death. We believe it the best
and surest remedy in the world, in all cases of
dysentery and diarrhoea in children, whether it a-
rises from teething or any other cause. We would
say to a mother who has a child suffering from any
of the foregoing complaints—do not let your pre-
judices, nor the prejudices of others, stand between
you and your suffering child, and the relief that
will be sure—yes, absolutely sure—to follow the
use of this medicine if timely used. Full direc-
tions for using will accompany each bottle. None
genuine unless the fac-simile of Curtis & Perkins,
New York, is on outside wrapper.
Sold by Druggists throughout the world.
Principal Office 13 Cedar Street, N. Y.
Price only 25 Cents per Bottle.
For sale by Donald Mack St. Andrews.
