In the ar gallery there were a number of specialy efforts, and competition for highest honors therefore was most keen. Stock was better represented than on

any previous occasion D Drummond f Ottawa, acted as judge of cattle, and pronounced it a splendid showing. He made particular reference to a Holstein cow owned by G. T. The stock parade of prize winners which took place t about 4 o'clock was most interesting. Following this was a brief but exciting programme of sports. A jumping com-petition was first, and there were four entries. C. Bazette finally won out, his horse vaulting about four feet, while M. Elliott secured second place. A tug-of-war contest on horseback between teams representing Cowichan and Duncans en took place. This was very well conested, and was won by the Cowichan

boys, who took the best three out of five The final event was a wrestling match on horseback. This was a novel feature, and was probably the most exciting on the programme. Two feams lined up against each other, and riding together, each selected an opponent, and endeavor-ed to throw him from his saddle. This continued for fully fifteen minutes until all had been dismounted with the excep-

tion of one triumphant horseman. Shortly after this the show was rought to a conclusion by the strains of "God Save the King" from the local band, and visitors shortly after took the trains for Nanaimo and Victoria, The complete list of prize winners fol-
