Housekeepers

Who manage their homes in a business-like way, in a manner similar to that practiced by the managers of factories, stores or any other kind of business, buy where they are sure of getting the best quality at the lowest prices. That's good business; that's the way to make a business pay—in the case of housekeeping, that's the way to save.

The housekeeper who buys at the "Big Store" has made a good big step towards the prosperity of the partnership into which she entered when she became a life partner with her husband.
