Redbank, instead of going to Indiantown. See adv. tory, it will be observed. The explanation is that Mr. Call learned on Tuesday Hotel Pines where he made his headquar- that another steamer, asking no subsidy, ing, and well deserved the compliment the Prince of Wales paid to it on Saturday evening last. It is arousing a very large tion of that road twenty-five miles from attringents, its public men may be known to lack moral principle and to plunder the public in order to retain office and pure. To expose their public misdoings is, in Tory estimation, to attack the country. They assume that the country. They assume that they are the country, the constitution, were then made and are traced the history of the location of the work were to be made in ing, and well deserved the compliment the Prince of Wales paid to it on Saturday in fine interests of the contractors. The work had been in charge of an honorable and skilful engineer. Last fall he was amount of attention, and on every visit which I have paid to it during the week I have found it well patronized by visitors, and Messrs. Wilmot, Joncas, and Honey.

Trit—A remeasurement and a reclassification of the work were to be made in ing, and well deserved the compliment the Prince of Wales paid to it on Saturday evening last. It is arousing a very large and in first of the work had been in charge of an honorable and skilful engineer. Last fall he was a mount of attention, of the work were to be made in ing, and well deserved the compliment the Prince of Wales paid to it on Saturday evening last. It is arousing a very large and inferred that the construction of the work had been in charge of an honorable and skilful engineer. Last fall he was a mount of attention, of the work were to be made in ing, and well deserved the compliment the Prince of Wales paid to it on Saturday evening last. It is arousing a very large and in first of the vork were to a was to be patient. At the construction of the two the construction of the work had been in charge of an honorable and skilful engineer. Last fall he was a mount of attention of the two the location of the work had been in charge of the location of the work had been in charge of the location of the work had been in charge of the construction of the work had been in the Northwest route, locally the recall the hiddly cheered and called upon to speak. It is actually the recall the hiddly ch

law of the land with respect to the sale of intoxicating liquors. The House of Commons "amended" the original bill in such very little-in fact the Commons emascu lated the bill, and the Senate passed upon of cordwood might have sat upon the Senate; the results to the country would have been of precisely the same value in

published a statement of the approximate daily wages of workpeople engaged in the butchers, carpenters, cabinetmakers, cloc makers, printers, joiners, plumbers, stone bakers, \$1 33: brewers, 85c.; bricklavers

It is stated that the Pope has confirmed the appointment of Rev. Thos. C. Carr Rector of Maynooth College, to the Bishopric of Galway, after being assured will shortly be issued by the Pope to the faithful in all parts of the world denoun ing secret societies. It will enjoin the ons connected with the seditions move ment. Harrington, M. P., proprieter of

In the list of fish-producir g States in America Virginia ranks seve nth; and the oyster, menhaden, and shr a fisheries are the three branches in v. hich her citizens are most extensively interested. In re gard to her oyster fisheries, she come second only to Marryland, having 16 315 persons employed in the in stry, with products valued at \$2,218,376. Her menhaden fisherie's are of recent origin, but they have developed with singular rapid ity. The fleet numbered 102 sail in 1880 and the oil, scrap, and compost produced sold for \$303,829. The river fisheries are also important, furnishing employment to 2.641 persons: and over 3.000,000 lbs. o shad, and nearly 7,000,000 lbs of alewives known locally as herring), with many other river species were taken, the whole having a value of \$272,828.
