y the Car Load at all STATIONS on the AL-ERT and INTERCOLONIAL RAILWAYS. This Lime differs from all other Brands in the arket—having peculiar cement qualities, which urdens it like stone, and makes it imprevious to the action of water. It requires no cement to m-prove it, and is the CHEAPEST in the market for all purposes.

For Agricultural purposes it can be furnished be the car load in bulk, CHEAP, and is the best s well as the cheapest fertilizer known.

If you are sick with that terrible sickness Nervousness, you will find a "Balm in Gilead" in the use of Hop Bitters.

If you are a frequenter, or a resident of a miasmatic district, barricade your system against the scourge of all countries—malarial, epidemic, bilious, and intermittent fevers—by the use of Hop Bitters

If you have a rough, pimply, or sallow skin, bad breath, pains and aches, and feel miserable generally, Hop Bitters will give you fair skin, rich blood, and sweetset breath, health and comfort. The spirit of the world just now seems to be pretty generally belligerent. "Knock

alone save the British from Annihilation. Women as Warriors among the slain. marched from Suakim on Sunday morning 22nd March, in the direction of Tamai, in advance of the British camp at Hasheen where the fighting took place on the 20th inst. The work was duly carried out, and

the men were resting after their dinner, when, between two and three o'clock, a sudden alarm was raised, and the enemy instantly attacked them on all sides. The Daily Chronicle correspondent (who had a very narrow escape) gives the following thrilling account of the attack and repulse—
In accordance with the plan of General Graham's operations, a strong force left

Erysipelas!
Salt Rheum, blood poisoning, dyspepsia, ndigestion, and in fact almost all disesses struct another zareba beyond the operations. down on Friday. We marched from Suakim early in the morning, our force consisting of the Berkshire regiment, the Marines, the Naval Brigade with four guns, and the Indian contingent. The order of march was in two seperate and complete squares. the cavalry being ahead, scouting in open order. The command of the days expedition was entrusted to Major-General 'Sir J. McNeill. The marching powers of the force were to some extent impeded by the number of baggage animals taken, Feathers are not seen on any of the new | carrying stores with which to stock the new zareba. The site of the proposed camp was reached without incident. A large sand

ner guns being placed in position, one at The work was all but completed when just after two o'clock, without the slightest previous warning, a large body of rebels lined with pale-colored satins .- Godey's sprang out from among the scrub and a neighbouring wady, and made straight for our position. At that moment a large number of the men were working at the form square was given instantly, the men rushed ro their positions; but before the

SWARMING UP TO OUR QUARTER,

ng themselves with savage verocity upon our troops. To complete the square for mation under such circumstances was painfully difficult, but at this critical moment the sterling qualities of the Brittint are the newest trimming for zouave jackets.—Godcy's Lady's Book. ish soldiers shone forth to a degree which has never been excelled. Firing steadily. and with cool precision, the rebels were | brought down in scores—in hundreds. The first wild rush was checked, the British square was quickly rendered intact and merciless rain of leaden hail was poured ner guns in the newly constructed redoubt were brought into play, but again the rebels came on like a vast cloud, brandish-The secret of success of Burdock Blood ing their spears and rushing upon certain death, for after the first sudden onslaught when they got right into our lines, they never got within several yards of our square. Unfortunately after a few rounds two of the Gardner guns became jammed and were for a time disabled, but the re-Walter Linton, of Waterloo, writes that | maining two were splendidly served, and Hagyard's Yellow Oil has done great good did fearful execution. The rebels could in his family, his wife being cured of not hold out against this terrible fire; they Callouse lumps that other medicines fail- vanished back among the bushes and ed to remove, he also states that a neighter stole away behind the hillocks. All serious bor was promptly relieved of Rheumatism | fighting was over, though for some time after the enemy kept up occasional shots from a distance. The Gardner guns The new woolen lace will be extremely and our small arms also kept firing so long popular for trimming spring and summer as any traces of the rebels could be observed within range. The enemy numbered fully 4,000. CORRESPONDENT'S RISKS.

It is impossible to disguise the fact (says of Forest, has sold Hagyard's Pectoral the correspondent) that we were most Balsam, and its sales are steadily increasing. It cures coughs, colds and all lung superb courage of our troops saved us from omplaints, is pleasant to take and al- an overwhelming disaster. Not a man of us had any idea that thousands of rebels were quietly stretched amongst the scrub Bouquets composed of nothing but and behind boulders and hillocks, quietly orange flowers will be carried by brides watching us as we innocently and jovially worked at our zarebas. A few pickets were out, and a squadron of cavalry scouts Scott's Emulsion of Pure Cod Liver as well-I believe 18 all told-so we were content. Suddenly there was a great cry of alarm rising loud above the din of the fatigue parties and the accompanying DR. A. H. DESANLINUS, Oswego, N. W., says: "I have prescribed Scott's Emulsion for many years, and have given it a thorough comparative test. I cannot speak in too high terms of its palatability, as well as its efficacy in all the wasting disorders in which it is indicated. [Continued on 2nd wage.]
