## The Old Doctors

Drew blood, modern doctors cleanse it; hence the increased demand for Alteratives. It is now well known that most diseases are due, not to over-abundance, but to impurity, of the blood; and it is equally well attested that no blood medicine is so efficacious as Ayer's Sarsaparilla.  
"One of my children had a large sore break out on the leg. We applied simple remedies, for a while, thinking the sore would shortly heal. But it grew worse. We sought medical advice, and were told that an alterative medicine was necessary. Ayer's Sarsaparilla being above all others, we used it with marvellous results. The sore healed and health and strength rapidly returned."  
"I find Ayer's Sarsaparilla to be an admirable remedy for the cure of blood diseases. I prescribe it, and it does the work every time."—E. J. Pater, M. D., Manhattan, Kansas.  
"We have sold Ayer's Sarsaparilla here for over thirty years and always recommend it when asked to name the best blood-purifier."—W. T. McLeod, Druggist, Augusta, Ohio.  
"Ayer's medicine continues to be the standard remedy in spite of all competitors."—W. W. Richmond, Dear Lake, Mich.

## Ayer's Sarsaparilla,

PREPARED BY  
Dr. J. C. Ayer & Co., Lowell, Mass.  
Price 25¢; six bottles, \$1.50; worth 6¢ a bottle.

CHATHAM, N. B., - - - FEBRUARY 6, 1890.  
GENERAL NOTES AND NEWS  
A somnambulist in Hamilton fell out of a window and broke one of his hips.  
Sergeant James Ward, a veteran of the Crimea, died last week at Kingston, Ont.  
The Lakes and Straits  
OF a city are like those of an arctic region of the body; if you or impair, disease results. Cleanse the blood from the feet humors by using Barlock Blood Bitters, the best blood medicine ever devised to cure all blood disorders from a common impure to the worst scrofulous form.  
Ritualists and anti-Ritualists are making war upon each other in the Church of the Ascension, Hamilton, Ont.  
A young man pulled a dead iron off the railway track near Stratford just as a locomotive dashed by.  
Prevailing Sickness.  
THE most prevalent complaints at this season are rheumatism, neuralgia, sore throat, inflammation and congestion. For all these and other painful troubles Hagar's Yellow Oil is the best internal and external remedy.  
Senator Chandler says that the United States is throwing away money in building broadside armor vessels.  
Worn out and run down.  
BY disease and debility the human system becomes worn out and run down before its time. Keep the head clear, the bowels regular, the blood pure, the kidneys and liver active by the use of Burdock Blood Bitters, nature's great tonic and regulator, and disease cannot exist.  
Hon. A. Mackenzie completed his 68th year on Tuesday of last week, and was the recipient of numerous congratulations both at his rooms in the Grand Union Hotel and in the Commons Chamber, Ottawa.

## If you have a Cough

DO NOT neglect it. It should be loosened as soon as possible, and to do this nothing exceeds Hagar's Pectoral Balm. It soothes the inflamed membrane, loosens the phlegm, soothes and healing properties, while colds, looseness, whooping cough, asthma, etc., are promptly relieved by its perfect action on the throat and bronchial tubes.  
Friedland, a prominent man in the clerical world, treasurer of the Academia Dei Lincei in Rome, has absconded. He is a defaulter and a forger.  
Snafan Change.  
MRS. GEORGE FLEWELLING, St. John, N. B., writes—"I suffer from weakness and constipation, so I bought a bottle of Burdock Blood Bitters, and before I finished it, noticed a change. After using three bottles I am now entirely cured, and recommend it as a positive cure for constipation."

## A Wonderful flesh Producer.

This is the title given to Scott's Emulsion of Cod Liver Oil by many thousands who have taken it. It not only gives it strength by virtue of its own nutritious properties, but creates an appetite for food. Use it, and try your weight. Scott's Emulsion is perfectly palatable. Sold by all Druggists, at 50c. and \$1.00.  
The London Times thinks that the exclusion of political offences from the new extradition treaty with the United States leaves it open to doubt whether the plots for the assassination of President Lincoln and Lord Cavendish would not be safe under its provisions.
